Come see the proposed design for the I-95 southbound collector distributor lanes from Exit 133 (Route 17) in Stafford County to Exit 130 (Route 3) in the City of Fredericksburg. The project includes a new bridge across the Rappahannock River, improvements to the Route 17 interchange at Exit 133, four miles of parallel lanes between Exit 133 and Exit 130 and ramp improvements at Exit 130.

Review the draft Environmental Assessment for the proposed crossing and the proposed project design at the hearing or at VDOT's Fredericksburg District Office located at 87 Deacon Road in Stafford County. Please call 540-899-4288 to ensure the availability of the appropriate personnel to answer your questions. You may also review the documents on the project website at www.VirginiaDOT.org. Click on "Projects and Studies" and select Fredericksburg.

In compliance with the National Historic Preservation Act, Section 106 and 36 CFR Part 800, information concerning the potential effects of the proposed project on historic properties is provided in the Environmental Assessment.

Give your written or oral comments at the hearing or submit them by February 8, 2017 to Mr. Krishna Potturi, Project Manager, 87 Deacon Road, Fredericksburg, VA 22405. You may also email your comments to Krishna.Potturi@VDOT.Virginia.gov. Please reference "Rappahannock River Crossing Southbound Public Comment" in the subject line.
