UPC – 96938

All comments submitted will become a part of the public hearing transcript and will be made available to the public.

Name: *(optional)* _____
Address: *(optional)* _____

With this project, VDOT proposes to replace the existing "T" intersection at Route 53 and Route 618 with a roundabout. This project will increase safety and efficiency of travel through the intersection.

Do you support this project?
YES NO
Yes, with modifications (please describe the modifications)

How do you plan to travel through this intersection? (circle all that apply)
Drive Bike Walk Transit Other: _____
Do the proposed design features of the roundabout meet your needs?

To allow for a shorter construction period, would you support closing access to Route 618 during construction? Motorists would use Route 600 (South Boston Road) for access to Routes 53 and 618.
YES NO

Please provide us with any additional information that you believe will assist VDOT in developing the final design of this project.

How did you hear about this meeting?
 Newspaper Direct Mail TV/Radio VDOT Roadway Signs
 Web site Social Media Email Other: _____

Was the information at tonight's meeting presented in a way that was easily understood, and was VDOT staff able to answer your questions and concerns?
