

PUBLIC NOTICE

Proposed Limited Access Control Changes I-95/I-64 Pull-Off at 3rd St. Exit Ramp City of Richmond

Willingness for public comment

The Virginia Department of Transportation (VDOT) is accepting comments regarding proposed limited access control changes for the I-95 South and I-64 East 3rd St. off-ramp (Exit 75). The project will create a new emergency pull-off area within the I-95 and I-64 overlap corridor. The pull-off can be used by distressed vehicles or emergency medical services and be utilized for the VDOT stand-by towing initiative. This initiative is designed to rapidly remove disabled or damaged vehicles from the I-95 South mainline through lanes to a safe location for further recovery or accident investigation. The pull-off will be located within the triangle of I-95/I-64, I-95/I-64 3rd St. off-ramp and 5th St.

Information related to the project and the limited access control changes is available for review at VDOT's Richmond District Office located at 2430 Pine Forest Drive in South Chesterfield, 23834-9002. Please call (804) 524-6000, 1-800-367-7623, TTY/TDD 711 in advance for staff availability.

The VDOT Richmond District Office invites public comments related to the proposed limited access control changes. Comments must be received via email to Anthony Haverly, Project Manager, Virginia Department of Transportation, 2430 Pine Forest Drive, South Chesterfield, VA 23834-9002 or by email to Anthony.Haverly@VDOT.Virginia.gov on or prior to **September 14, 2019**. Please reference "UPC 111465 Limited Access Control Changes" in the subject line.

VDOT ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964. If you need special assistance for persons with disabilities or limited English proficiency, contact the project manager listed above.
