The Virginia Department of Transportation will hold a "Pardon Our Dust" public information meeting to discuss construction impacts and traffic management associated with the I-64 Widening segment in Henrico and New Kent counties, which will stretch between the I-295 interchange (at mile marker 200) and Bottom Bridge (mile marker 205).

The meeting will be held in an open house format, with project team members available to answer questions and provide information about construction phasing and traffic impacts during the project. Construction work is expected to begin in February 2018 and the contract completion date is in fall 2019.
