

Public Meetings

Fall Transportation Meeting

You are invited to participate in public meetings held by the Commonwealth Transportation Board. The meetings will begin with an open house followed by a town hall style meeting. The open house will provide information on various transportation initiatives including proposed changes to Virginia's project prioritization process (SMART SCALE), recently funded projects in the Six-Year Improvement Program, Virginia's Statewide Transportation Improvement Program, VTrans Multimodal Transportation Plan, and Scenario Planning and Freight plans. Representatives from the Office of Intermodal Planning and Investment, Departments of Transportation and Rail and Public Transportation, along with Metropolitan Planning Organizations, Planning District Commissions, and Transit organizations will be in attendance to highlight their transportation programs and to discuss your ideas and concerns on Virginia's transportation network. The open house will be followed by a town hall session, where you can engage in discussion and ask questions about the various initiatives. Comments will be accepted informally at the meeting and may also be submitted via email, or online.
