VDOT HOT SPOTS IN THE FREDERICKSBURG DISTRICT

June 9-15, 2019

All work is scheduled weather permitting. Real-time information on work zones and lane closures is available on [511Virginia](#).

I-95 Paving Operations

I-95 Northbound at Exit 126 (Route 1/Massaponax)

Double Lane Closures and Exit 126B Ramp

Sunday – Friday, 9 p.m. – 4:30 a.m. On Sunday evening, I-95 northbound will be reduced to a single lane starting at 10 p.m. near the interchange for milling and paving. Also starting at 10 p.m., the I-95 northbound off-ramp to Route 1 southbound will be closed until 4:30 a.m. Message boards will be posted prior to Exit 118/Thornburg to notify travelers; Exit ramp to Route 1 northbound at Exit 126A will remain open during this work zone.

On Monday through Thursday evenings, a single lane on I-95 northbound will be closed at 9 p.m. followed by a double lane closure at 10 p.m. All lanes and the exit ramp will reopen by 4:30 a.m. Expect overnight delays with this work zone. Drivers may encounter a temporary rough driving surface. Virginia State Police will assist with traffic control.

I-95 Southbound Rappahannock River Crossing Project

I-95 Southbound near Exit 133 (Route 17/Falmouth) Double Lane Closures

Monday – Friday, 9 p.m. – 10 a.m. Expect a single lane to be closed on I-95 southbound near the Exit 133 interchange starting at 9 p.m. followed by a double lane closure at 10 p.m. Double lane closures will end at 4 a.m. A single lane will remain closed near the interchange until 10 a.m. except on Friday, June 14 when all lanes will reopen by 6 a.m. The double lane closures are needed to allow crews to lift beams for the new I-95 overpasses of Route 17 as part of the I-95 Southbound Rappahannock River Crossing project.

Route 17 Southbound at the I-95 Overpasses FULL TRAFFIC STOPS

Monday – Friday, 8 p.m. – 7 a.m. A single lane on Route 17 southbound will close at 8 p.m. Starting at 11 p.m., there will be intermittent full traffic stops up to 30 minutes at a time on Route 17 southbound until 4 a.m. All Route 17 traffic will be stopped as crews lift and install bridge beams for the new I-95 overpasses. Congestion will be cleared in between each beam placement. A single lane on Route 17 southbound will remain closed from 4 a.m. until 7 a.m. after the intermittent stoppages.

I-95 Southbound Exit Ramp at Exit 133A/Falmouth

Monday – Friday, 11 p.m. – 4 a.m. Expect intermittent exit ramp closures up to 30 minutes.

Interstate 95 Northbound

Friday – Saturday, 10 p.m. – 5 a.m. Expect a single lane closure on I-95 northbound for various construction activities near the Exit 133 interchange and Rappahannock River bridge.

Interstate 95 Southbound

Friday – Saturday, 10 p.m. – 5 a.m. Expect a single lane closure starting south of the Exit 136/Centreport Parkway interchange at mile marker 135 to Exit 130/Route 3 in Fredericksburg.

Virginia State Police will assist with traffic control with the full stoppages and double lane closures.

Alternate Routes

I-95 southbound travelers are advised to use Route 1 southbound to avoid delays on these evenings. Message boards on I-95 will provide advance notice of lane closures and detour routes.

Route 17 travelers can use the most convenient alternate route, depending on their destination.

Districtwide Pavement Marking Mobile Operation

Sunday – Friday, 8 a.m. – 6 p.m. or 9 p.m. – 5 a.m. Motorists should anticipate lane closures and possible delays at various locations while crews replace existing pavement markings. Motorists should expect slow moving construction equipment and delays near the mobile work zone. Motorists are encouraged to avoid crossing over freshly painted lines. The paint will be wet and may adhere to vehicle. The mobile work zone will periodically pull over to allow congestion to clear. A flagging crew may direct drivers in certain areas near the mobile work zone.

Work is underway to improve this intersection. Motorists should be alert for construction activity on Route 3 Business and on Ferry Road between the CSX railroad crossing and Route 3 Business. For more information about the project, [please visit the project page](#).

- **Route 608 (Brooke Road): ROAD CLOSED**

Brooke Road is closed to through traffic near Eskimo Hill Road. This is a Stafford County project to realign the roadway to improve safety and drainage. The road will reopen by July 2019. For more information about the project and the detour route, please [visit the county's project page](#).

Spotsylvania County

- **Route 658 (Mount Olive Road) Bridge Replacement: ROAD CLOSED**

Construction is underway to build a replacement bridge on Route 658 (Mount Olive Road) over the North Anna River, which will restore a connection between Hanover County and Spotsylvania County. The new bridge is estimated to open in summer 2019. Visit the [project page](#) for additional details.

Emergency Road Repairs: Tropical Storm Michael

Emergency repair work continues to rebuild several state-maintained roads that sustained severe damage during Tropical Storm Michael. These roads require major reconstruction or replacement of pipes and culverts before they can safely be reopened. Emergency procurement methods are being used to expedite repairs.

Estimated construction schedules for the remaining closed roads in Fredericksburg District are listed below:

King William County

- **Route 662 (Sharon Road):** Anticipated to reopen in August 2019. Crews will reconstruct a slope near the road and repair the culvert.

Northumberland County

- **Route 201 (Courthouse Road):** Anticipated to reopen in June 2019. Crews are replacing a damaged set of four 96-inch drainage pipes with a triple set of concrete box culverts, with each culvert measuring 12 feet by 10 feet.
- **Route 634 (Spring Road):** Anticipated to reopen in August 2019. Crews are repairing the bridge and replacing a washed out section of road.

Westmoreland County

- **Route 600 (Nomini Grove Road):** Anticipated to reopen in August 2019. Crews are repairing a void underneath the road and replacing a washed out section of road.

Motorists are reminded to adhere to all road closed signs and barricades, and to follow the posted detour route. Roads have been closed for traveler safety.
