VDOT HOT SPOTS IN THE FREDERICKSBURG DISTRICT
Oct. 18 - 24, 2020
All work is scheduled weather permitting. Real-time information on work zones and lane closures is available on 511Virginia

I-95 Northbound and Southbound

Exit 133 (Route 17) Interchange Ramps
Tuesday – Friday, Midnight – 3 a.m. Be alert for intermittent interstate ramp closures at Exit 133 (Route 17) in Stafford County for up to 30-minute intervals early Tuesday, Wednesday, Thursday and Friday mornings. Varying entrance and exit ramps at I-95 and Route 17 will be briefly closed while Route 17 traffic is stopped for demolition of the former I-95 southbound overpass. No I-95 lane closures are scheduled with this work.

I-95 Southbound

Exit 148 (Quantico)
Monday – Thursday, 9 p.m. – 10 a.m. and Thursday – Friday, 9 p.m. – 6 a.m. and Friday – Saturday, 10 p.m. – 7 a.m. Single lane closure near the interchange for work zone barrier placement for the I-95 Express Lanes Fredericksburg Extension project.

Exit 136 (Centreport Parkway to Exit 133 (Route 17)
Friday – Saturday, 10 p.m. – 7 a.m. Single lane closure near the interchange for work zone barrier placement for the I-95 Express Lanes Fredericksburg Extension project.

Exit 133 (Route 17) to Exit 130 (Route 3)
Monday, 5 a.m. – 10 a.m. Single lane closure. Installation of pavement markers for the I-95 Southbound Rappahannock River Crossing project.
I-95 Northbound

Exit 140 (Courthouse Road)
Monday – Thursday, 9:30 a.m. – 3:30 p.m. Single lane closure near the interchange for shoulder widening for the I-95 Express Lanes Fredericksburg Extension.

Exit 148 (Quantico)
Monday – Friday, 9 p.m. – 4:30 a.m. and Friday – Saturday, 10 p.m. – 7 a.m. Single lane closure near the interchange for work zone barrier placement for the I-95 Express Lanes Fredericksburg Extension project.

Stafford County

Route 1 Northbound
Monday – Friday, 9 a.m. – 3 p.m. Single right lane closure on Route 1 northbound between Centreport Parkway and Potomac Creek Lane for the bridge replacement project.

Route 17 Northbound and Southbound
Monday – Friday, 8 p.m. – 7 a.m. Expect alternating lane closures on Route 17 northbound and southbound between Sanford Drive and Short Street, near the I-95 interchange. Crews are starting overnight demolition work to remove the former I-95 southbound overpass. Demolition is anticipated to be underway through mid-November. Route 17 traffic will be stopped for up to 30-minute intervals between midnight and 3 a.m. early Tuesday, Wednesday, Thursday and Friday morning this week.

Route 218 (White Oak Road)
Wednesday – Friday, 8 a.m. – 6 p.m. One-way, alternating traffic near intersection with Route 606 (Ferry Road). Guardrail replacement.

Route 607 (Deacon Road)
Monday – Wednesday, 9 a.m. – 7 p.m. and Monday – Friday, 7 p.m. – 6 a.m. Daytime milling and paving, and overnight pavement marking and traffic signal detection equipment work. Expect travel delays. Alternating, single lane closures on Deacon Road between Route 218 (White Oak Road/Butler Road) and Brooke Road. Motorists may experience a temporary rough driving surface on the milled sections.

Route 610 (Garrisonville Road)
Sunday – Monday, 7 p.m. – 5 a.m. and Thursday – Friday, 7 p.m. – 5 a.m. Traffic signal work at various intersections on Route 610 between Salisbury Drive and I-95 ramps. Virginia State Police will assist with traffic control.

Hospital Center Boulevard
Monday – Thursday, 9:30 a.m. – 3:30 p.m. and Friday, 9 a.m. – 2 p.m. Single lane closures on Hospital Center Boulevard between Route 1 and Austin Ridge Drive. Crews will be taking soil samples as part of the I-95 Express Lanes Fredericksburg Extension.
Old Courthouse Road
Monday – Thursday, 9 a.m. – 3:30 p.m. and Friday, 9 a.m. – 2 p.m. Single lane closures on Old Courthouse Road between Route 1 and Hospital Center Boulevard. Crews will be taking soil samples as part of the I-95 Express Lanes Fredericksburg Extension.

Wyche Road
Monday – Thursday, 9 a.m. – 3:30 p.m. and Friday, 9 a.m. – 2 p.m. Single lane and turn lane closures on Wyche Road at the Hospital Center Boulevard and Courthouse Road intersection. Crews will be taking soil samples as part of the I-95 Express Lanes Fredericksburg Extension.

City of Fredericksburg

Wicklow Drive
Monday – Friday, through late October 2020. Large trucks (up to 180 feet long) with follow cars will be coming in and out of Wicklow Drive from Fall Hill Avenue to deliver bridge beams for the new I-95 Southbound Rappahannock River Crossing bridge. These deliveries will take place mid-afternoon a few days a week. While these deliveries are not expected to cause any traffic stops or impacts greater than the current construction activities taking place, residents and travelers should be aware of increased traffic on Wicklow Drive and the potential for delays as trucks pass.

City of Fredericksburg and Spotsylvania County

Route 3 Westbound
Sunday – Friday, 9 p.m. – 5 a.m. Milling and paving on Route 3 westbound starting at Gateway Boulevard and progressing west to Bragg Road. Drivers may experience a temporary rough driving surface and overnight delays with single lane closures within the mobile work zone.

Spotsylvania County

Route 1 Southbound
Wednesday – Friday, 8 a.m. – 6 p.m. Single lane closure near Route 632 (Hickory Ridge Road). Guardrail installation.

Route 208 (Courthouse Road) Northbound
Sunday – Friday, 9 p.m. – 5 a.m. Milling, paving and pavement marking. Alternating single lane closures on Route 208 (Courthouse Road) northbound between Crown Grant Drive and the bridge over I-95. Motorists may experience a temporary rough driving surface on the milled sections.

Route 612 (Stubbs Bridge Road)
Monday – Friday, 8 a.m. – 4 p.m. One-way, alternating traffic. Bridge maintenance and repairs.

King George County
Route 206 (Dahlgren Road)
**Sunday – Thursday**, 7 p.m. – 6 a.m. Bridge repairs. Alternating, one-way traffic over Williams Creek, which is located east of the Route 301 intersection.

Route 218
**Wednesday – Friday**, 8 a.m. – 6 p.m. One-way, alternating traffic near Vertical Ridge Road intersection. Guardrail replacement.

Route 301
**Monday – Friday**, 9 a.m. – 3:30 p.m. Single lane closures on Route 301 near Owens Drive and Bennion Road for an [intersection improvement project](#). Located near Gate B entrance to Naval Support Activity South Potomac at Dahlgren.

**Gloucester County**

**Route 3/14 and Route 17 Business (Main Street) Intersection**
**Monday – Friday**, 9 a.m. – 3:30 p.m. Alternating intersection lane closures. Expect travel delays for construction on intersection improvement project.

**Lancaster County**

**Route 3 Westbound**
**Tuesday – Thursday**, 8 a.m. – 6 p.m. One-way, alternating traffic. Single lane closure near Route 819 (Avis Trail). Guardrail replacement.

**Lancaster County and Middlesex County**

**Route 3 at Robert O. Norris Bridge**
**Monday – Friday**, 8:30 a.m. – 3:30 p.m. Routine, scheduled bridge inspection of the Norris Bridge. One-way, alternating traffic. Controlled by automated flagging assistance devices, monitored by a certified flagging crew. Weekday lane closures will occur weekly on this schedule through Friday, Oct. 30, weather permitting.

**Additional Construction Projects in Fredericksburg District**

**Caroline County**

**Route 207 Southbound Bridge Replacement**
Route 207 is reduced to a single northbound and southbound lane at the bridge over the Mattaponi River. Traffic is traveling in the northbound lanes while the southbound bridge is
closed for a replacement project. The new southbound bridge is anticipated to open to traffic in July 2021, with all construction complete by September 2021.

**City of Fredericksburg**

**Route 3 Business at Chatham Bridge**
The Chatham Bridge is closed to traffic for an improvement project. Drivers should follow the posted detour signs directing traffic around the bridge closure. The bridge will reopen to traffic in October 2021, and all construction work will be complete by April 2022.

**Gloucester County**

**Route 3/14 and Route 17 Business (Main Street) Intersection Improvement**
Project to reduce driver delay and improve pedestrian access at intersection. After construction, Route 17 Business traffic will have dual left turn lanes and right turn lanes when turning onto Route 3/14. On Route 3/14, the traffic pattern approaching Route 17 Business will change to allow for dual left turns southbound. One of the left turn lanes will become a shared lane, and will allow traffic to turn left, proceed straight across, or turn right. New sidewalks with handicapped-accessible ramps, crosswalks, and traffic signal equipment for pedestrian crossings will be installed. Project estimated completion is February 2021.

**Pedestrian Improvements on Route 17 Southbound at Gloucester Point**
Construction is underway on a project to build sidewalk and crosswalks along Route 17 southbound between Lafayette Heights Drive and Bellehaven Drive. Motorists should be alert for construction along the shoulder during daytime hours on weekdays and periodic single lane closures. Project estimated completion is January 2021.

**Pedestrian Improvements at Route 17 and Route 17 Business (Main Street)**
Construction is underway on a project to build sidewalk, crosswalks, pedestrian refuge islands, and new pedestrian crossing equipment at the northern intersection of Route 17 and Route 17 Business, and at Route 17 and McFadden Way. Motorists should be alert for construction during daytime hours on weekdays, as well as for periodic single lane closures and temporary traffic pattern changes. Project estimated completion is January 2021.

**Gloucester County and Middlesex County**

**Route 17 Southbound over Dragon Run**
Route 17 southbound is reduced to a single lane for a bridge rehabilitation project over Dragon Run. The bridge is located at the county line between Gloucester County and Middlesex County. Project estimated completion is August 2021.

**King George County**

**Route 301 at Bennion Road and Owens Drive**
Construction began June 1 to lengthen several turn lanes on Route 301 in King George County at the intersection with one of the entrances to the Naval Support Activity South Potomac at Dahlgren. The project will be finished in November 2020.
King and Queen County

Route 617 (Exol Road)
Route 617 (Exol Road) is closed to traffic at the bridge over Exol Swamp while crews replace the structurally deficient bridge. Detour signs are posted along the 8-mile detour around the closure. The bridge will remain closed until November 2020. Click here for the recommended detour route.

King William County

Route 30 and Route 360 Intersection Improvement
Construction is underway to improve the intersection of Route 30 and Route 360. The project will build dedicated right and left turn lanes and through lanes for eastbound Route 30, and will modify turn lanes on Route 360. A sidewalk will be built along Route 30 to allow pedestrians to cross Route 360. The project will be completed in June 2021.

Route 608 (Locust Hill Road)
A portion of Route 608 (Locust Hill Road) over Dorrell Creek is closed to allow crews to replace two large pipes. Locust Hill Road is closed to through traffic between Route 609 (Smokey Road) and Route 628 (Dorrell Road). Construction will be underway through early 2021. Signs are posted along the recommended detour route.

Route 662 (Sharon Road)
A portion of Sharon Road is closed for reconstruction following damage from Tropical Storm Michael. A project to reconstruct a slope and replace a culvert will be advertised to potential bidders in summer 2020. The road is anticipated to reopen to traffic by the end of 2020.

Stafford County

Route 1 at Potomac Creek
Construction began June 1 on a project to replace the Route 1 bridge over Potomac Creek in Stafford County. Route 1 will continue to have four travel lanes open during the project, with only periodic single lane closures required. The new bridge will be complete in July 2022.

Route 644 (Rock Hill Church Road)
Route 644 (Rock Hill Church Road) is closed to through traffic between Dunbar Drive and Van Horn Lane for installation of a temporary bridge over Aquia Creek. The road will remain closed to through traffic until late October 2020, when it will reopen as a single-lane crossing, and will be controlled by traffic signals. Read more about the project and detour here.
