## **REPAIR EFFORTS CONTINUE FOLLOWING FLOOD DAMAGE ON THE EASTERN SHORE**

*Two local routes remain closed*

The Virginia Department of Transportation (VDOT) is working to repair two roads on the Eastern Shore following flood damage earlier this week.

Hillsborough Drive (Route 810) near Shields Bridge Road (Route 178) in Accomack County remains closed, and VDOT is working to provide temporary access to affected residents.

Wardtown Road (Route 606) near Occohannock Neck Road (Route 183) in Northampton County remains closed. The damage is not impacting any homes, and a detour is in place.

VDOT crews have repaired and reopened the following roads in Northampton County: Happy Union Drive (Route 692), Cemetery Drive (Route 602) and Saltworks Road (Route 615).
