ROUTE 642 RECONSTRUCTION PROJECT COMPLETE

The road in Northampton County has reopened to traffic

CAPE CHARLES – The Virginia Department of Transportation (VDOT) has completed a reconstruction project on Route 642 (Old Cape Charles Road) in Northampton County and reopened the road to traffic.

Kevcor Contracting began construction in August of 2016, building two 12-foot lanes and 8-foot shoulders. The shoulders include paved areas for bicycles and pedestrians.

The reconstruction provides enhanced safety and easier access to the Cape Charles Harbor. To learn more about the project, please visit the [project website](#).
