NORTHBOUND LANE OF FREDERICK BOULEVARD REOPENS AT TURNPIKE ROAD

Southbound Frederick Remains Closed Until Early 2018

PORTSMOUTH – A single northbound lane has reopened on Frederick Boulevard through the Turnpike Road intersection. This restores access to drivers traveling from I-264 toward Airline Boulevard, in addition to local northbound traffic on Frederick Boulevard. Southbound Frederick Boulevard remains closed at Turnpike Road until early 2018.

Turnpike Road west of Frederick Boulevard has also re-opened. Northbound traffic on Frederick remains restricted from turning left onto this newly reopened portion of Turnpike Road due to continuing work at the intersection.

The intersection closures began in early October so crews could repair and replace utility and sewer infrastructure. That work will continue into the winter.

The Frederick Boulevard/Turnpike Road intersection is expected to fully open early 2018. The entire [Turnpike Road Reconstruction Project](#) is scheduled to be complete May 2018.

Motorists are advised to plan their commute by using VDOT's free traffic information tools:

- [Download](#) the 511 smartphone app
- Visit the [511Virginia](#) website or dial 511 for traffic information on your phone
- Listen to Highway Advisory Radio (HAR) 1680AM
- Call the Traffic Line at 757-361-3016
