## NIGHTLY CLOSURES, RAMP NARROWS PLANNED FOR I-264 ON-RAMP AT MARKET STREET

*The ramp will remain open to traffic during the ramp narrows phase*

**NORFOLK** – Motorists should expect nightly closures of the on-ramp to I-264 west at Market Street (Exit 9) as follows:

- October 29 - November 2 from 7 p.m. to 7 a.m.

A signed detour will guide motorists to City Hall Avenue where they can access I-264 west (see below). The Virginia Department of Transportation will be installing a temporary barrier on the Market Street on-ramp next week, which will narrow the ramp for at least nine months, while crews make structural repairs. The ramp will remain open to traffic once the barrier is installed.
