LANE CLOSURES PLANNED AT HOLLAND ROAD CONNECTION PROJECT

Motorists should expect possible delays

VIRGINIA BEACH— Contract crews for the Virginia Department of Transportation (VDOT) are planning alternating single-lane closures at the Holland Road Connection Project starting at 9 p.m. Thursday, February 8 and ending no later than 5 a.m. the following day. The closures will be set up at the intersection with Holland Road and Dam Neck Road. In addition to the closures, traffic may be temporarily stopped. Motorists should expect possible delays and may want to take Nimmo Parkway to Princess Anne Road as an alternate.
