RESTORATION OF VARINA ENON BRIDGE TO CLOSE LANES

Work is expected to be completed summer 2019

Varina Enon Bridge I-295 (Henrico County) – The Virginia Department of Transportation (VDOT) will close the left lane of I-295 north and south on the Varina Enon Bridge beginning August 14, 2018 until summer 2019 for bridge restoration work.

The lanes will be closed through the life of the project and concrete barriers will be installed. Additional shoulder or lane closures might occur intermittently.

The project includes concrete restoration and other work below the bridge surface as well as to the towers above the bridge.

For the latest real-time traffic information or road conditions, call 511 or visit <http://www.511virginia.org>.
