ADDENDUM NO. 1 TO ALL OFFERERS:

Reference – Request For Proposals:	RFP-#3-KDB
Commodity:	CEI Southwest Virginia Region
Dated:	April 14, 2011
For Delivery to:	VDOT, Statewide
Proposal Due:	May 13, 2011

The above is hereby changed to read:

Reference Page 11, “MATERIALS SAMPLING AND TESTING”, Section IV:
CHANGE the language in the entire section to read:

The consultant firm shall provide material testing equipment. The cost of these items should be included in the overhead cost to the consultant and will not be billable to the Department as a direct cost expense, with the exception of the nuclear gauge which shall be provided as a direct cost expense. This equipment will remain the property of the Consultant and shall be removed at completion of the work. The Consultant will be responsible for obtaining proper licenses for equipment and personnel operating equipment when licenses are required. The Consultant shall make the license and supporting documentation available to the Department for verification, upon request. The Consultant's handling of nuclear gauges shall be in compliance with their license.

The material testing equipment shall include but not be limited to; soil/aggregate compaction kit, including: speedy moisture kit, one-point proctor mold, hammer, gas stove, pans and spoons, scales, 10' straight edge, sand cone device; slump cone; air meters, non-contact thermometer and 4' level. Any testing device that will be used for acceptance/rejection of materials will need evidence of calibration as recommended by the manufacturer. All hand tools necessary for inspection services shall also be supplied by the consultant.

Note: A signed acknowledgement of this addendum must be received at the location indicated on the RFP either prior to the bid due date and hour or attached to your bid. Signature on this addendum does substitute for your signature on the original bid document. The original bid document must be signed.
