

**MESSAGE: Plan File Room - (Right of Way, Road, and Bridge Plan File Rooms) - Will not be available for updates May 24 through May 30.**

The expectation is to have all Plan File Rooms accessible in ProjectWise by the morning of May 31. Falcon Web will be accessible during the migration, but no updates will be processed. Please send updates to [Cadd Support Helpdesk](#) and those updates will be added to ProjectWise once migration is complete.

**ProjectWise Implementation Webpage:**

[http://www.virginiadot.org/business/locdes/project\\_wise.asp](http://www.virginiadot.org/business/locdes/project_wise.asp).

Check here for frequent updates.

A SARA request is required to access the ProjectWise System.

If you currently use CABB or IPM/Project Pool to view plans you will need ProjectWise access.

ProjectWise Explorer will need to be installed in order to print plans drawing sets.

Please contact the [Cadd Support Helpdesk](#) at 804-786-1280 to request the software be the installed or any questions.
