How to stop mail from going to Junk/Spam - Outlook

- Open Outlook
- On the “Home” tab – click “Junk”
- Click “Junk E-mail Options”
- Choose the “No Automatic Filtering.”
- Click “OK”
- All e-mail messages will be received regularly.

Another way to stop e-mails from going to spam/junk is below.
How to stop mail from going to Junk/Spam - Outlook

- Open Outlook
- Click on the “Junk E-Mail” folder
- Click on the “Home” tab
- Click “Junk”
- Select “Not Junk” from the dropdown menu
- After click “Not Junk” a Mark as Not Junk dialog will pop up – you will need to check “Always trust e-mail from abc@123.com”
- Click “OK”
