Suffolk, VA. 23434

PCES training will be offered for our Local Government partners in Chantilly, Virginia

DATE: April 2, 2008
TIME: AM Session @ 8:30 am – 11:30 pm
PM Session @ 1:00 pm - 3:00 pm
LOCATION: Northern Virginia District Office
Computer Training Room
14685 Avion Parkway
Chantilly, VA 20151-1104

Course Synopsis: Course will include an overview of VDOT's Project Cost Estimating System (PCES). Participants will learn how to access/use the website and EXCEL-based workbook. This course is required for all persons needing access to PCES to upload project cost estimates for review/approval by VDOT's project managers.

To register for this course please visit VDOT University web-site at: <http://www.virginiadot.org/business/virtualcampus.asp>. You must complete an application to be given access to use VDOT University before you can register for the class. If you have any problems with registration process in VDOT University, please contact Wade France by email (wade.france@VDOT.virginia.gov).

Please contact Clark Woods @ (804) 692-0565 if you have any questions.
