

NOTICE OF ADVERTISEMENT

APRIL 12, 2011

INDEX

1. INFORMATION
2. NOTICE TO ALL BIDDERS - eVA REQUIRED REGISTRATION
3. NOTICE OF ADVERTISEMENT FOR BIDS TO BE RECEIVED ON
WEDNESDAY, MAY 25, 2011

Notes from the Contract Officer for April 2011

- Contracts stating with the March 2011 advertisement will contain a new Special Provision Section 107.15—Use of Disadvantaged Business Enterprises (DBEs). Please read the entire provision carefully as numerous changes have been made.

The following bullet points highlight most of the new or significantly changed aspects:

- C-111 is due 10:00 a.m. the next business day after the receipt of bids.
 - Form C-112 is due within three (3) business days after the bids are received.
 - Form C-49 must be used to show DBE Good Faith Efforts
 - DBE firms must be certified in the specific work listed for DBE contract goal credit.
 - Bidders may be disqualified from bidding for failure to comply with the requirements of the contract
 - DBEs bidding as prime contractors are not required to submit Form C-112 unless they are utilizing other DBEs as subcontractors.
 - Reciprocal agreements with MWAA list DBE firms.
- As we all know, businesses of all types, both private and public have been forced to cut any unnecessary costs. For several years VDOT has been moving toward totally electronic contracting. We still have a ways to go but we are poised to make another small but significant step. After August the Department will stop mailing paper copies of the semi-monthly Advertisement. Eliminating this service will save countless hours of staff labor and many dollars for printing and postage. Instead VDOT will send you an email notification that the Ad has been posted. A web link will be embedded in the email that will take you to the document that will look exactly as the Ad does now. Be sure to read the Notes from the Contract Officer and Notices. If you desire, you can print it and you will have exactly what you get now in the mail. You will also be able to see the projects on advertisement in CABB in the same way as you do now.

You should have already received an electronic Advertisement. If not, please contact Mary Roane at 804-786-2124 (Kiwi.Roane@VDOT.Virginia.gov)

Once I make the change to a totally electronic Advertisement, it will be imperative that I have a good working email address. Currently I collect this address during the prequalification process. *Please check your email address in the prequalification list carefully.* In the few times when I have had occasion to use contractor supplied emails, I nearly always find that some of these addresses are not functional. Please remember to notify me immediately of an address change.

Once the electronic mailing list is in place, I will be able to send notices at any time. I will no longer wait for the advertisement.

- Davis Bacon Wages - Please be sure to review the wage decisions carefully. Most of the wage rates have risen considerably from the March 2010 Decisions.

Margin Codes

- The Department has eliminated the use of all margin codes because of the errors or omissions possible with their use. Instead, Major Items are now shown on a separate sheet entitled “Determination of Major Items”. Items eligible for Fuel Adjustment are listed as such also on separate sheets. The same is true for items eligible for Asphalt adjustment. If the contract contains a Specialty Item, it will be listed in a special provision copied note. Plan quantity items are shown on the plans.

Advertising Report

- A link on the VDOT website will take you to the live streaming video of the bid letting. Please go to the Construction and Maintenance webpage and click on the first announcement; or you can go to the VDOT Business page and click on the icon in the top right corner. Both will take you to the letting instructions and information.

At 10:00 a.m., downloading of the bids from the BidX server will begin. While that is taking place you will see a poster that states that you are at the bid letting. Downloading the bids usually takes about 10 to 15 minutes to complete. Once the bids are downloaded, bid reading will begin. Therefore the actual reading of the bids will begin after 10:10 AM.

- **Revision to FHWA-1273 Concerning Employee Social Security Numbers and Addresses on Payroll Submissions:**

On January 18, 2009, the final rule for US Department of Labor regulations revising 29 CFR Parts 3 and 5 became effective. The final rule requires the contractor when submitting weekly payrolls to provide all required information except that full social security numbers and home addresses shall not be included, thus protecting the worker's privacy. The **FHWA 1273, Memorandum and CFR Change** now included in bid proposals replaces Section V, Paragraph 2b of **FHWA 1273-Required Contract Provisions Federal-Aid Construction Contracts** with the following:

The payroll records shall contain the name, and the last four digits of the social security number of each such employee, his or her correct classification; hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalent thereof of the types described in Section 1(b)(2) (B) of the Davis Bacon Act); daily and weekly number of hours worked; deductions made; and actual wages paid.

- You can order plans and proposals via e-mail. Once you complete the form you may e-mail it to: VDOTCOPlanRoom@VDoT.Virginia.Gov
- If you do not purchase paper plans or proposals from the VDOT plan room, VDOT cannot notify you of plan revisions. It is your responsibility to check in NOTICES on the VDOT advertisement page for Revisions.
- Notice that the approximate value of advertised work is included on the paper and website advertisement. This is the cash forecast estimate and **NOT** the Engineer's Estimate. It contains Engineering, State Force Work & Contingencies, as well as the construction costs. This should be used only to judge the relative size of the job.
- Electronic Plans are available during the advertisement cycle. This can help you decide whether you are interested in bidding on a job. You can look at the plans and proposal on-line before you buy paper plans on the website at www.VDOT.Virginia.Gov/Business/Cons. Under "all things advertisement" click on "instructions" for utilizing the Falcon Website. Call me if you need more information.
- Use CABB (Contractor's Advertisement Bulletin Board) to ask questions about a job. Just click on the "?" on the advertisement page. It is the only way to ask questions during advertisement. You must be a plan holder to ask questions. If no questions have been asked, the question mark is **BLUE**. It will be **RED** if questions have been asked.
- If you have questions about the website, please contact Mary Roane at (804) 786-2124.

Advertising Report

- **When preparing bids for projects with DBE goals, VDOT encourages prospective bidders to seek the assistance of the following offices:**

Virginia Department of Minority Business Enterprises
 111 East Main Street, Suite 300
 Richmond, VA 23219
 Phone (804) 786-2260

Advertising Report

Notice to Bidders of eVA

The Governor has determined that all commerce with the Commonwealth of Virginia will utilize one central procurement portal that is common to all agencies. It is called eVa for electronic-Virginia. It is operated under the direction of the Department of General Services (DGS), All proposals contain a provision similar to the following: www.eVA.State.VA.US

Section 102 eVA BUSINESS-TO-GOVERNMENT VENDOR REGISTRATION: The eVA Internet electronic procurement solution, web site portal www.eVA.State.VA.US streamlines and automates government purchasing activities in the Commonwealth. The portal is the gateway for vendors to conduct business with state agencies and public bodies. All vendors desiring to provide goods and/or services to the Commonwealth shall participate in the eVA Internet e-procurement solution either through the eVA Basic Vendor Registration Service or eVA Premium Vendor Registration Service. All bidders must register in eVA prior to award of any contracts. **Failure to register will result in the bid being rejected.**

- a. eVA Basic Vendor Registration Service: \$25 Annual Registration Fee **plus the appropriate order Transaction Fee specified below.** eVA Basic Vendor Registration Service includes electronic order receipt, vendor catalog posting, and on-line registration. It also includes an electronic bidding system for use for goods and services (not construction). For construction projects, firms will continue to use the Bid Express Internet bidding system.
- b. eVA Premium Vendor Registration Service: **\$25** Annual Registration Fee plus Transaction Fee **plus the appropriate order Transaction fee specified below.** eVA Premium Vendor Registration Service includes all benefits of the eVA Basic Vendor Registration Service plus automatic email or fax notification of solicitations and amendments, and ability to research **eVa** historical procurement data, as they become available.
- c. **For orders issued prior to July 1, 2006, the Vendor Transaction Fee is 1%, capped at a maximum of \$500 per order.**
- d. **For orders issued July 1, 2006 and after, the Vendor Transaction Fee is:**
 - i) **DMBE-certified Woman-Owned Businesses: 1%, capped at \$1,500 per order.**
 - ii) **DMBE-certified Minority-Owned Businesses: 1%, capped at \$1,500 per order.**
 - iii) **Other Businesses not specified in (i) or (ii) above: 1% capped at \$1,500 per order.**
 - iv) **DMBE-certified Small Business: 1%, capped at \$500 per order**

This provision requires firms to register with **eVa** and pay the annual fee. The \$25 basic fee (payable directly to **eVa**), should be all most contractors will need. VDOT will continue to supply all the same services that we have always supplied, including direct mailing of the monthly advertisement schedule. If you are awarded a contract, your firm will be billed a Transaction fee by **eVa** after your first estimate is generated. This fee is charged once for each contract awarded, and is used to defray the cost to operate the **eVa** system.

The **eVa** system is completely separate from all other bidding requirements to participate in VDOT's construction program. All contractors still must be prequalified; and firms must be enrolled in BidX, if they desire to bid electronically.

The contract will be awarded only if you are registered in eVa prior to execution of the contract.

The registration process is quickly and easily done online.

Order Form

PLANS AND PROPOSALS

BIDS TO BE RECEIVED WEDNESDAY, MAY 25, 2011

Firm Name: _____

Complete Mailing Address:

(Please provide both street address and postal delivery address)
