MEMORANDUM

TO: Don Silies, State Contract Engineer
From: Charles A. Babish, P.E., State Materials Engineer

A handwritten signature in blue ink, appearing to read "CAB", is written over the name Charles A. Babish.

Subject: Pavement Marking Materials

The pavement marking supply issues experienced in 2010 and 2011 has alleviated. The guidance from VDOT Materials, Traffic Engineering and Scheduling and Contract Division on the use of "Latex Paint Alternatives" (Type A & F) and the allowance of substitution of epoxy and polyurea markings for thermoplastic material expired December 31, 2011.

Beginning January 1, 2012 pavement marking materials shall comply with the contract requirements and the approved pavement marking materials may be found on the updated Materials Division Approved Lists at:

http://www.virginiadot.org/business/resources/Materials/Approved_Lists.pdf

The Approved Lists Number, Name and effective date are as follows:

List # 17 Preformed Tape List	(October 2011)
List # 20 Traffic Paint	(January 2012)
List# 43 Thermoplastic	(August 2003)
List # 48 Type F Construction Markings	(January 2012)
List # 73 Preformed Thermoplastic	(October 2011)
List # 74 Polyurea	(January 2012)
List # 75 Epoxy	(January 2012)
