		SALEM, BRISTOL AND LYNCHBURG DISTRICTS					
	Maintenance Funds	REGIONAL SIGNAL ON-CALL CONTRACT					

Purpose and Need: This project is to improve the safety of intersections within the Bristol, Salem, and Lynchburg Districts. This is to be accomplished by using an on-call contractor to install new traffic signals at intersections that meet the required signal warrants; modify existing signalized intersections that may need updating or configuration changes due to roadway geometrics changes or increases roadway capacity demands; and complete traffic signal replacements due to the existing signalized intersections being beyond their useful life cycle. The Construction Engineering cost \$0.00.
