DIRECTED TO - DISTRICT ADMINISTRATORS

The use of salvaged materials for maintenance of traffic conforming to the requirements of applicable specifications is permissible in accordance with the provisions of Section 512 of the Specifications. The reuse of pavement marking tape for maintenance of traffic is questionable due to wear and handling of the material. Prior to allowing a Contractor to use salvaged pavement marking tape, the material shall be recertified by the manufacturer for compliance with the requirements of Section 246 of the Specifications.
