VDOT Update
UCI Annual Meeting

July 12, 2012
Jennifer DeBruhl
Director, Local Assistance Division
Today……

• VDOT Business Plan

• June 2012 CTB Synopsis
  • Maintenance Payments
  • Local Government Workgroup – Maintenance Payments
  • Revenue Sharing
  • Six-Year Program Update

• Fall LAD Workshop

• Other items of interest
VDOT’s Business Plan
Purpose of the Business Plan

- To support the Governor’s Multimodal Strategic Plan
- To align VDOT’s business activities to accomplish both its mission and the Multimodal Strategic Plan
- To become a high performing organization – Back to Basics
- To unite policy makers and practitioners
- To continue the transparency theme in all VDOT actions
- To be a “nimble” business, able to respond to changing business conditions
VDOT Planning and Performance

- VTrans 2035 and the Governor’s Multimodal Strategic Plan
- VTrans Action Plan
- VDOT Business Plan
- VDOT Business Plan Implementation and Performance Monitoring
- Day-to-Day Operations
Governor’s Multimodal Strategic Plan Goals

1. Establish a seamless multimodal system that moves people and freight
2. Ensure the transportation system promotes and supports economic opportunity
3. Develop unified and collaborative transportation planning and implementation processes
4. Establish sustainable and stable financial support
5. Be an innovative pacesetter in technology, environmental protection and system management
6. Maintain a strong customer focus to address travel and business needs
7. Improve safety across all modes of transportation by reducing transportation related injuries, fatalities, and crashes
8. Develop and maintain a competent and stable workforce which maximizes human capital
VDOT’s Business Plan and Local Programs

• **FY12 LAD Business Plan Item:** Evaluate local government ability to effectively manage and deliver projects and make changes to agreements, programs, policies, and procedures so that locally administered projects and project phases are completed within agreed timeframes.

• **FY13 LAD Business Plan Item:** Continue to assess the effectiveness of the ability of local governments to manage and deliver projects.

• Additional information regarding VDOT’s Business Plan: [http://www.virginiadot.org/about/resources/2012_VDOT_Business_Plan.pdf](http://www.virginiadot.org/about/resources/2012_VDOT_Business_Plan.pdf)
June 2012 CTB Synopsis
Urban Maintenance Payments

- Total budget for urban maintenance payments is $326 M
- 2.68% increase over last year’s allocation
- The increase in allocations to individual localities varied based on system changes in those jurisdictions.
- 92 Centerline Miles Added (200 Lane Miles)
- 3 new localities added to the Urban Program or FY13:
  - Berryville
  - Broadway
  - Colonial Beach
- Fort Monroe roadways added to the Urban System
Local Government Workgroup
General Consensus and Recommendations of the CTB Subcommittee

• An analysis and comparison of needs across systems is desired before recommending legislative changes
  • Lack of available data on local system condition and performance limits further analysis

• The most equitable approach to distribution of scarce maintenance funding may be a formula that incorporates a prioritized needs-based factor along with a commitment to maintain our statewide assets, regardless of maintenance responsibility.

• Reconvene the local government working group (in partnership with the Virginia Municipal League and Virginia First Cities Coalition) to advance the collection and analysis of system condition and performance data on the locally maintained system.
Summary of Meetings

• Workgroup met 4 times since January
• Workgroup sent out a survey to all 83 localities that maintain their own systems and included questions relating to:
  • Pavement Data Collection and Management Systems
  • Traffic Signals
  • Drainage
  • Sidewalks
  • Other Assets Maintained by Cities/Towns
Local Government Workgroup – Urbanized Streets

Maintenance Expenditures (FY10)
Pavement $148M
Traffic Operations/ Devices $81M
Drainage $34M
Local Government Workgroup – Conclusions and Recommendations

• Maintenance activities in localities that maintain their own systems are substantially different than that on rural county roads
• Performance measures must keep the differences in mind when implementing statewide standards
• Utilize the VDOT Pavement Data Collection Contract to collect/analyze pavement conditions for arterial routes within localities that maintain their own systems
Local Government Workgroup – Next Steps

- **Summer/Fall 2012:** Collect pavement data for arterial routes
- **Fall/Winter 2013:** Analyze and process the data
- **Winter 2013:** Reconvene the Local Government Workgroup
- **Spring 2013:** Report the findings to the CTB in June 2013
- In addition, the Local Government Workgroup will continue to evaluate other performance standards that can be utilized statewide in analyzing other transportation asset types

FY14 Revenue Sharing Program
Changes Due to New Legislation – HB 1248

• Re-establishes maintenance projects as eligible projects
  • Establishes that certain maintenance projects will have priority

• Introduces requirement that expenditures must be made within the first year they are allocated

• Re-establishes the supplemental allocation process

NOTE: 2012 legislation did not change any funding limitations
FY14 Revenue Sharing Program
Changes Due to New Legislation – HB 1248

• **Maintenance Priorities:**

  • Pavement Resurfacing: Any pavement that has been deemed deficient by the Department (Critical Condition Index is below 60)

  • Bridge Projects that address a condition rating of Poor
Revenue Sharing Program
What’s Next?

- **Update Revenue Sharing Guidelines for FY14 Program**
  - Late June – E-mail to Board with Draft Revenue Sharing Program Guidelines and Policy based on new legislation
  - Present Guidelines and Policy at July CTB meeting for approval

- **Formal Solicitation to Localities for FY 2014 Applications**
  - Early August – E-mail to localities with invitation for applications
  - November 1 – Application deadline

Fall Local Assistance Division Workshop
Fall LAD Workshop

- **Theme:** 4G – “A Network for Success”
- **Two-day workshop**
- Will focus on providing an overview of local programs and provide training for program management and project development
- **Four different tracks:** (Five Breakout Sessions each)
  1. Federal Program Requirements
  2. Project Development and Financials
  3. Funding Programs
  4. Project Delivery
Fall LAD Workshop (Continued)

- Topics include a Project Showcase
- Speakers (keynote speakers confirmed to date):
  - VDOT Commissioner Whirley
  - Deputy Commissioner Kilpatrick
  - Former Commissioner Shucet
- Workshop Dates: October 24th and 25th
- Location: Holiday Inn Koger Conference Center South in Midlothian (minutes from downtown Richmond)
- Registration: Opening in August through UVA-TTA
