

Next Steps

At the conclusion of the Tier 1 process, decisions will be made on:

- **Improvement concepts for highway and rail**
- **Advancing I-81 as a Toll Pilot under Section 1216(b) of TEA-21**
- **Roadway and rail components to be evaluated in Tier 2 and the types of Tier 2 NEPA documents**
 - **Logical segments for future study**
- **Location of the corridor for studying alignments in Tier 2**
