Albemarle County Office Building, Lobby and Lane Auditorium
401 McIntire Road, Charlottesville, VA 22902*

Find out about the proposed location for the extension of Route 1403 (Berkmar Drive) on a new alignment located parallel to and west of Route 29. The road will run north approximately 2.3 miles from Hilton Heights Road to Towncenter Drive in Albemarle County.

Review the proposed alignment alternatives at the public hearing or at VDOT's Charlottesville Residency Office located at 701 VDOT Way, Charlottesville, VA 22911. Please call ahead (434-422-9373) to ensure the availability of personnel to answer your questions.

Property impact information and relocation assistance policies are available for your review at the above address and will be available at the public hearing.

The project is currently under review through the State Environmental Review Process. Additionally, in compliance with the National Historic Preservation Act, Section 106, information concerning the potential effects of the proposed improvements on properties listed in or eligible for listing in the National Register of Historic Places will be available in the environmental documentation once complete.

Give your written or oral comments at the hearing or submit them by September 29, 2014, to Mr. Robert Strevell, Project Manager, Virginia Department of Transportation, 1601 Orange Road, Culpeper, VA 22701. You may also email your comments to Robert.Strevell@vdot.virginia.gov. Please reference "Berkmar Drive Extension Location Hearing Comment" in the subject line.

VDOT ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964. If you need more information or special assistance for persons with disabilities or limited English proficiency, contact the project manager at the telephone number listed above.
