

**Route 29-New Baltimore
Community Listening Session
June 28, 2018
LFCC, The Barn**

- 1) Objectives for the first meeting:
 - a) Hear the major concerns of the community
 - b) Try to hear who the major stakeholders are
 - c) Get suggestions for the makeup of an advisory group and format /schedule for follow-on meetings
- 2) Develop working/advisory group makeup for follow-on meetings. The advisory group would be a maximum of 10 or 12 people to keep it efficient/workable. Possible members potentially from the following pool:
 - a) A representative of each of major HOAs
 - b) A representative(s) of the business community
 - c) A representative of the environmental or preservation community
 - d) Elected Representatives:
 - i) Supervisor, Scott Magisterial District, Fauquier County
 - ii) Supervisor, Lee Magisterial District, Fauquier County
 - iii) Representative, Prince William County
 - e) VDOT Chief Engineer and Culpeper District Administrator
- 3) Objectives for the second meeting:
 - a) Firm up the format and schedule of meetings
 - b) Establish advisory group membership
 - c) Establish methods of communication to stakeholders
 - d) Firm up a list of stakeholders and start identifying the major interests of all stockholder groups
