

DESIGN PUBLIC HEARING
Route 33 at Route 29
Greene County
Intersection Improvements

Thursday, April 5, 2018, 4:30-6:30 p.m.
Ruckersville Elementary School
105 Progress Place, Ruckersville, VA 22968

COMMENT SHEET

State Project – 0033-039-587, P201, R201, C501
Federal Project – STIP-039-7(015)
UPC – 109519

All comments submitted will become a part of the public hearing transcript and will be made available to the public.

Name: *(optional)* _____
Address: *(optional)* _____

The purpose of this project is to improve safety and traffic flow at the intersection of Route 33 (Spotswood Trail) and Route 29 (Seminole Trail) in Greene County. Route 33 will be widened to provide two left turn lanes east of Route 29 and two right turn lanes west of Route 29. A five-foot-wide sidewalk and five-foot-wide bike lane will be constructed along Route 33.

Do you support this project?
YES NO
Yes, with modifications (please describe the modifications)

VDOT is considering prohibiting left turns from eastbound Route 33 to Moore Road and from Moore Road to eastbound Route 33 to improve safety. Do you support this?
YES NO

Do you have any concerns about Moore Road being temporarily closed for about 14 days during construction?

Please provide us with any additional information that you believe will assist VDOT in developing the final design of this project.
