

Documentation of FHWA Review

Project Name: Route 639 Ladysmith Road Widening

State Project Number: 0639-016-623, P101

UPC: 106670

Based on the preliminary environmental impact information compiled by VDOT, FHWA approved this project as a Categorical Exclusion on 10/13/2017. Based on my review of the Categorical Exclusion documentation submitted by VDOT, I find this information acceptable and sufficient as supporting documentation to support the original Categorical Exclusion determination.
