

Documentation of FHWA Review

Project Name: Route 17 / I-95 Bridge to Hospital Blvd
State Project Number: 0017-088-R72, B1616, C501, P101, R201
UPC: 107140

Based on the preliminary environmental impact information compiled by VDOT, FHWA approved this project as a Categorical Exclusion on 03/29/2017. Based on my review of the Categorical Exclusion documentation submitted by VDOT, I find this information acceptable and sufficient as supporting documentation to support the original Categorical Exclusion determination.
