US 301 / Route 207 Corridor Study
Termini of Study

- **US 301 King George & Caroline Counties**
  - From Potomac River (Governor Harry W. Nice Bridge)
  - To Route 207 in Bowling Green
- **Route 207 Caroline County**
  - From US 301 in Bowling Green
  - To Interstate 95
Why are we studying this corridor?

Why are we studying this corridor?

Governor Harry W. Nice Bridge
Why are we studying this corridor?

Using Interstate System
- 126-140 miles total travel
- 2.0-2.2 hours uncongested

Using Arterial System
- 124-129 miles total travel
- 2.2-2.3 hours uncongested
Purpose of Study

Identify improvements that will preserve the capacity and ensure the safety without large scale widening while accommodating economic development

• Outcomes:
  • Improve safety & efficiency
  • Set expectations for future development
  • Create a project list for future Smart Scale or safety funding
  • Reduce future retrofit projects
Study Phases

Phase 1
Access Management Study + Safety & Operational Improvements

Phase 2
Safety & Operational Improvements
Study Scope

Phase 1 – Access Management and Safety & Operations Study

- **Existing Conditions**
  - Crash Analysis
  - Traffic Operations
  - Access Locations
  - Road Geometrics
- **Future Land Use**
  - Detailed Land Use Analysis in Phase 1

Phase 2 – Safety & Operations Study

- **Existing Conditions**
- **Future Land Use**
  - Assumptions based on FAMPO Model
Stakeholder Identification

Initial stakeholder meeting was held January 17, 2017

Other stakeholders:
- Residents / HOAs
- Trucking industry
- Land owners / developers
- State of Maryland
- Local & state emergency Responders
Schedule

Overall Study – 15 months

• Phase 1
  • Data Collection & Analysis – February to June 2017
  • Stakeholder Meetings – May to June 2017
  • Public Meeting – June 2017
  • Draft Recommendations – December 2017
  • Stakeholder Meetings – November to December 2017
  • Public Meeting – January 2018
  • Final Recommendations – March 2018

• Phase 2
  • Data Collection & Analysis – June to December 2017
  • Draft Recommendations – December 2017
  • Stakeholder Meetings – November to December 2017
  • Public Meeting – January 2018
  • Final Recommendations – March 2018
