

## Get Involved

Ten days after this design public hearing (March 6, 2015) the public comment period will close. VDOT will review and evaluate information received as a result of this hearing.

This information, including the meeting summary, will be available for review at VDOT's Saluda Residency, 1027 General Puller Highway, Saluda, VA 23149 and at VDOT's Fredericksburg Residency office located at 86 Deacon Road, Fredericksburg, VA 22405.

The information received as a result of the meeting will be presented to VDOT's project development engineer for consideration.

If approval of the major design features is received for this project, the project will move forward to the final design phase.

Design Public Hearing

## Route 721 (Newtown Road) King and Queen and Caroline Counties

Tuesday, February 24, 2015, 5-7 p.m.

Lawson Marriott Elementary School Auditorium  
1599 Newtown Road  
St. Stephens, VA 23184

## Public Meeting

**Welcome to the Virginia Department of Transportation's (VDOT) Design Public Hearing on the proposed bridge replacement at Beverly Creek on Route 721 (Newtown Road) in King and Queen/Caroline counties.**

This design public hearing is being held to provide an opportunity for citizens or organizations to give VDOT comments and/or suggestions on the proposed project. VDOT strives to ensure that all members of the community have the opportunity to participate in public decisions on transportation projects and programs affecting them.

VDOT representatives are present to discuss the project and answer your questions.

A comment sheet is included in the handout for this meeting, and your input is encouraged. Verbal and written comments received on this project will be included in a transcript for review by VDOT personnel, citizens and other interested parties.

VDOT staff will address questions and concerns raised as a result of this meeting before the project is presented to VDOT's project development engineer for consideration.

## Project Overview

**Cost** – \$2.7 Million

**Purpose** – Replace the existing structure.

**Improvements** – New and improved structure.

State Project – 0721-049-566, P101, R201, B607 UPC 100828
