Find out about plans to widen about three miles of Richmond Highway (Route 1) from four to six lanes between Jeff Todd Way and Sherwood Hall Lane.

The project includes separate bicycle and pedestrian accommodations on both sides of the road, safety enhancements, as well as preserving the median width to accommodate Fairfax County's future Bus Rapid Transit plans for dedicated bus-only lanes.

Stop by between 6:30 p.m. and 8:30 p.m. to view displays and learn more about the project and preferred design alternatives. A presentation will begin at 7 p.m. and project staff will be available to answer your questions.
