Overview of Transportation Planning, Design, and Construction Projects

**Legend**
- Studies Area
- Major Road
- Rail
- Orange Line Metrorail
- Blue Line Metrorail
- Silver Line Metrorail
- Metro Shopping Mall
- Utility and Construction Projects
- Accotink Village - Apartments and Retail
- Accotink Village - Development
- Backplate Installation Project
- Bicycle/Pedestrian
- Managed Lanes
- Western Highway Widening
- West Ox Road Widening
- Transformation of I-466 Outside the Beltway
- Interchange Improvement
- Intersection Improvement
- Increase Capacity
- High Visibility Signal Backplate Installation Project (throughout study area)
- Loop Ramp Widening (2017)
- Fwyover to Route 286 NB from I-95 NB
- Modifications to Incorporate Frontier Drive Extension
- Rolling Road Widening
- Natl Guard Facility Improvement
- Silver Line Metrorail Extension
- Silver Line Metrorail Station
- Future Metrorail Stations
- Silver Line Metrorail
- Road Widening
- Corridor Improvements
- Managed Lanes
- Bicycle/Pedestrian
- New Facility

**Studies and Developments**
- 1 Reston Transit Areas Grid of Streets Study
- 2 Fairfax Center Area Study
- 3 Mega Sports, Fitness, and Wellness Complex
- 6 Potential FBI Site
- 5 Liberty View Office Park
- 6 Accotink Village - Apartments and Retail

**Improvement Projects Legend**
- Planning Areas
- Development
- Spot Improvements
- Interchange Improvement
- Intersection Improvement
- Bicycle/Pedestrian
- Managed Lanes
- New Facility
- Safety
- Widening

**Corridor Improvements**
- Design
- Construction

**Project Status**
- Planning
- Construction
