Public Information Meeting

East Spring Street Widening Herndon Parkway to Fairfax County Parkway Town of Herndon

Monday, Nov. 13, 2017

6:30 p.m. to 8:30 p.m.

Town of Herndon Council Chambers
765 Lynn Street, Herndon, VA 20170

Public Information Meeting

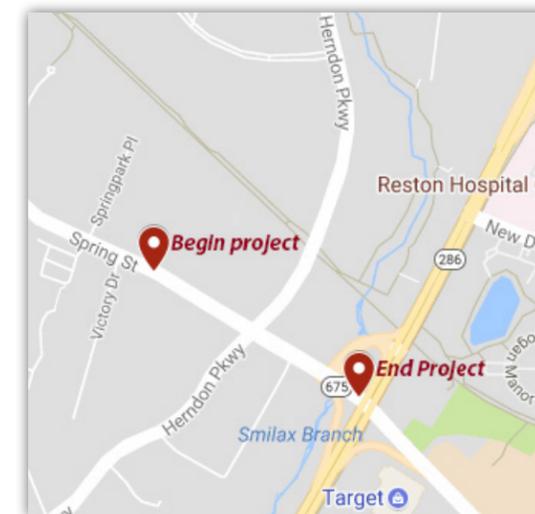

Welcome to the Virginia Department of Transportation's public information meeting on the proposed East Spring Street Widening. We look forward to your participation.

This public information meeting is being held to provide an opportunity for the public to give VDOT comments and/or suggestions on the proposed improvements. VDOT strives to ensure that all members of the community have the opportunity to participate in public discussions on transportation projects and programs affecting them.

VDOT representatives are available to discuss the project and answer your questions. A comment sheet is included in this brochure and your input is encouraged. All written comments received will be reviewed by the design team.

Comments will also be summarized and available on the VDOT project website at **www.virginiadot.org/projects**.

Project Overview

Project area

Purpose: Improve safety, operations and connectivity in the Town of Herndon along East Spring Street

Location: East Spring Street from just west of Herndon Parkway to Fairfax County Parkway

Improvements: Widen East Spring Street from four to six lanes, including intersection and bicycle/pedestrian improvements

State project number: U000-235-354, P101 / Project UPC: 105521

Project Description

This project aims to improve safety, operations and connectivity along East Spring Street in the Town of Herndon.

Improvements include:

- Widening the road from four to six lanes
- Providing additional turn lanes for vehicular traffic
- Adding sidewalks on both sides of East Spring Street
- Adding a cycle track, a bike facility that combines the user experience

of a separated path with on-street infrastructure of a conventional bike lane; and adding a sidewalk on the east side of Herndon Parkway

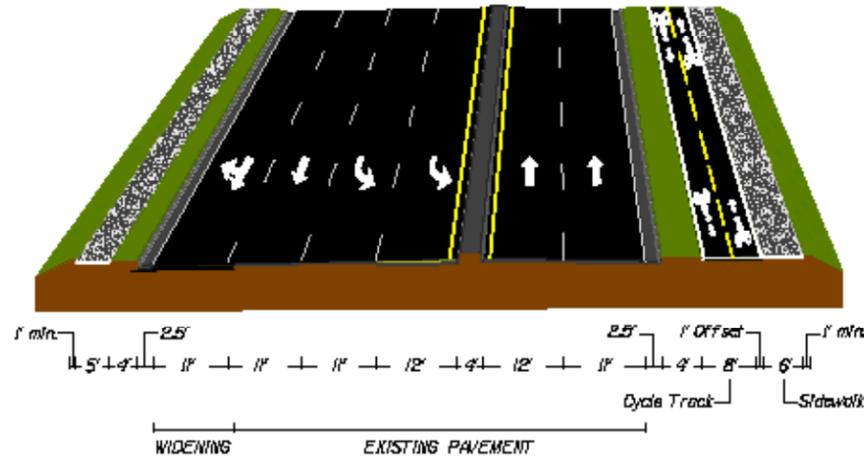

- Replacing the existing sidewalk on the west side of Herndon Parkway

VDOT in coordination with the Town of Herndon, continue to meet with residents and businesses along the corridor as part of the community outreach efforts.

Typical Section

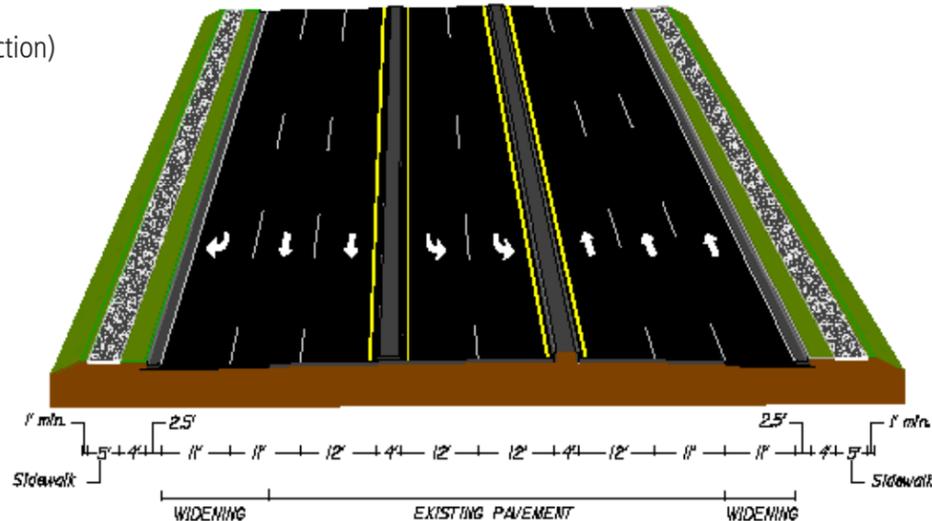

Herndon Parkway

(North of Spring Street Intersection)

Spring Street

(East of Herndon Parkway Intersection)

Estimated Project Cost

Preliminary engineering: \$723,000

Right of Way/Utility Relocation: \$4.2 million

Construction: \$5.6 million

Total: \$10.5 million

The project is being financed with federal and state funding, including Smart Scale funding.

Comment period ends

Nov. 27, 2017

Design Public Hearing

Early 2018

Approve Design

Summer 2018

Begin Construction

Early 2021

Civil Rights

VDOT ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964. If you need more information or special assistance for persons with disabilities or limited English proficiency, contact VDOT's Civil Rights Division at 703-259-1775 or TTY/TDD 711.

Right of Way

As design of this project is finalized, additional easements may be required beyond the proposed right of way. The property owners will be informed of the exact location of the easements during the right of way acquisition process and prior to construction.

Information about right of way purchase is discussed in VDOT's Right of Way and Utilities brochure, "A Guide for Property Owners and Tenants." Copies of this brochure are available here from VDOT personnel.

After this meeting, information regarding right of way may be obtained from the right of way contact listed on the back of this brochure.

Environmental Review

In compliance with the National Environmental Policy Act (NEPA) and 23 CFR 771, a Categorical Exclusion is being prepared for this project. Pursuant to Section 6009 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act – A Legacy for Users (SAFETEA-LU) and 23 CFR Part 774, the Federal Highway Administration (FHWA) will make a Section 4(f) impact finding for proposed right-of-way acquisition from parkland and historic sites. In compliance with the Section 106 provisions of the National Historic Preservation Act and its implementing regulations, 36 CFR 800, information concerning potential effects on properties listed in or eligible for listing in the National Register of Historic Places will also be included in the environmental document.
