

Poland Road and Edgewater Street Permanent Roundabout Loudoun County

Find out about plans to improve the Poland Road and Edgewater Street intersection in South Riding. Improvements include replacing the existing temporary marked and delineated roundabout with a permanent single lane roundabout, a raised center island, raised splitter islands, curb/gutter along the approaches and additional sidewalk connections to enhance safety.

Pursuant to the National Environmental Policy Act (NEPA) and 23 CFR 771, a Programmatic Categorical Exclusion was prepared under an agreement between VDOT and the Federal Highway Administration approved on May 1, 2013. In compliance with the National Historic Preservation Act, Section 106 and 36 CFR Part 800, information concerning the potential effects of the proposed bridge replacement on properties listed in or eligible for listing in the National Register of Historic Places is included with the environmental document.
