Dear Chairman Gilbert and Chairman Carrico:

Chapter 783 of the 2012 Acts of Assembly directs the Virginia Department of Transportation (VDOT) to report annually by December 1st on certain information relating to performance and payment bonds. The Act specifically directs VDOT to report the following information to the Chairmen of the House Committee on General Laws and the Senate Transportation Committee:

- The number of companies that were unable to procure a performance or payment bond pursuant to subsection H of Va. Code § 2.2-4337;
- The number of waivers granted by the Department pursuant to subsection H of Va. Code § 2.2-4337; and
- The number of companies that were enrolled in any Department of Treasury, Division of Risk Management self-bonding program for Department projects.

In 2016, there was one company conducting business with VDOT that was unable to procure a performance or payment bond pursuant to subsection H of Va. Code § 2.2-4337. The requirement of a bond was waived by VDOT for a total of two projects. In accordance with Chapter 783, both waivers were granted after proof of denial of a bond from a surety company. The company was referred to and utilized the Virginia Department of Treasury’s self-bonding program.

Sincerely,

Charles A. Kilpatrick, P. E.
Commissioner of Highways
