Richmond, VA 23219

STUDY SCHEDULE

*FHWA cannot issue a NEPA decision (e.g. Finding of No Significant Impact) on this project until funding is identified for construction in the Metropolitan Planning Organization’s (MPO) Constrained Long Range Plan and the next subsequent (i.e. post-NEPA) phase is funded in the MPO’s Transportation Improvement Program. Once addressed, a NEPA decision can be issued and the project can proceed to the next phase.
