Hot Spots for the Fredericksburg Region *February 5 – February 11, 2012*

Spotsylvania County

Route 208

(New) Thursday, 7 a.m. – 5 p.m.; motorists may encounter brief travel delays on the Route 208 bridge at Lake Anna that connects Louisa and Spotsylvania counties.

Crews will prepare to switch traffic from the eastbound lane to the recently rehabilitated westbound lane on the bridge. After the traffic switch, the eastbound lane will be closed for the duration of the bridge rehabilitation project, which will conclude in December 2012. Eastbound and westbound traffic will share the open westbound lane of the bridge, taking turns crossing the span while controlled by a temporary traffic signal.

Stafford County

Interstate 95

(Update) Tuesday, 9 p.m. – 1 a.m.; crews will be patrolling the interstate for potholes on both north and southbound I-95 beginning at Exit 130 (Route 3/Fredericksburg) into Prince William County. One lane will be closed in this mobile work zone when repairs are needed.

(Update) Sunday– Thursday, 9 p.m. – 5 a.m.; motorists may encounter crews and equipment at various bridges on Interstate 95 northbound and southbound between Exit 133 (Route 17/Falmouth) and Exit 148 (Quantico Marine Corps Base). Expect brief delays.

Under Construction

Spotsylvania County

- **Route 3 Widening Project**
Widening project located between Chewing Lane and Gordon Road. Estimated completion date for the project is July 2012.
- **Route 208 (Spotsylvania County Bypass Project Phase II)**
Road improvement project from just west of the Ta River to just east of the Po River near Lake Anna. Estimated completion date of the project is February 2013.
- **Route 208 Bridge over Lake Anna**
Motorists should be alert to construction crews and equipment on the Route 208 bridge over Lake Anna. A temporary signal maintains one-lane traffic on the structure. On Thursday, crews plan to switch traffic from the eastbound lane to the westbound lane of the bridge. Estimated completion date of the project is December 2012.
