I-66 Outside the Beltway Project
Lane Closures and Traffic Changes
Week of March 22, 2020

What’s Happening

Transform 66 Outside the Beltway Project construction continues throughout the corridor during daytime and overnight hours as weather conditions allow.

Significant upcoming traffic impacts include:

- I-66 narrowed to one lane in each direction on Saturday night, March 21, in western Fairfax County for demolition of the Bull Run Drive bridge over I-66 East. Both directions of traffic will use I-66 West for about one mile. Details
- Overnight ramp closures at: I-66 East to Route 28 North (March 22-27); Nutley Street South to I-66 East (March 22-March 26); I-66 East to Nutley Street North (March 22-26); and I-66 East to 495 Express Lanes South (March 25 and 26). Details
- Extended daytime hours for single lane closures of: the HOV lane on I-66 East and West at Jermantown Road; the right lane on I-66 East near Route 29 Centreville; and the right lane on I-66 East and West at Nutley Street Monday, March 23, through Sunday, March 29.

Current activities include:

- Bridge demolition at Fairfax County Parkway (Route 286) and Bull Run Drive
- Constructing bridge foundations at Route 29, Route 28, Waples Mill Road, Jermantown Road, Route 123 (Chain Bridge Road), Vaden Drive, and I-495
- Small charge dynamite operations along Route 28, I-66 East and West near Route 28, and I-66 West near Route 234 Business (Sudley Road)
- Bridge deck work for new collector-distributor road over Route 234 Business (Sudley Road), bridge expansion over Compton Road and Cub Run, new Route 28 bridges over I-66, and new Poplar Tree Road bridge over Route 28
- Relocating water lines at Stringfellow Road, Cedar Lane, and Gallows Road
Relocating underground utilities along I-66 East
Constructing retaining walls along I-66 and Route 28
Corridor-wide roadway maintenance as needed

The Transform 66 Outside the Beltway Project will add express lanes stretching 22.5 miles from the Capital Beltway to Route 29 in Gainesville, rebuild major interchanges along the I-66 corridor, create thousands of new park and ride spaces, and expand trail options for cyclists and pedestrians.
