BOTH I-81 SOUTHBOUND LANES OPEN IN ROCKBRIDGE COUNTY

STAUNTON – (10 a.m.) The right lane of southbound Interstate 81 has reopened in Rockbridge County. Crews have finished a hazardous-material removal operation near mile marker 204, about a mile south of exit 205 (Raphine). The materials were contained within a tractor trailer at that location.

Both I-81 southbound lanes are open, but traffic is currently backed up about four miles and will take some time to diminish.

Virginia traffic alerts and traveler information can be obtained by dialing 511. Traffic alerts and traveler information also are available at <http://www.511Virginia.org>.

The VDOT Customer Service Center can assist with reporting road hazards, asking transportation questions, or getting information related to Virginia's roads.
