## TRAFFIC ALERT FOR JUNE 11-15, 2018

### *Highway Work Zones in the Staunton District*

**STAUNTON** – The following is a list of highway work that may affect traffic in the Staunton transportation district during the coming weeks. The Staunton district consists of 11 counties from the Alleghany Highlands to the northern Shenandoah Valley: Alleghany, Bath, Rockbridge, Highland, Augusta, Rockingham, Page, Shenandoah, Frederick, Clarke and Warren.

Scheduled work is subject to change due to inclement weather and material supplies. Motorists are advised to watch for slow-moving tractors during mowing operations. When traveling through a work zone, be alert to periodic changes in traffic patterns and lane closures.

**(NEW)** or **(UPDATE)** indicates a new entry or a revised entry since last week's report.
