ROUTE 11 BRIDGE AT SHENANDOAH-WARREN COUNTY LINE FULLY OPENS TO TRAFFIC JULY 9

STAUNTON – Replacement of the Route 11 bridge over Cedar Creek at the Shenandoah-Warren County line is expected to open to two-way traffic on Monday, July 9. Motorists should be alert for a final traffic-pattern change as they approach the new bridge between Strasburg and Middletown.

Northbound and southbound drivers are tentatively scheduled to begin sharing the new bridge over Cedar Creek on the morning of July 9. Contractors will then start work to remove the old southbound bridge and its approaches. All work is weather permitting.

On January 18, 2017, the Commonwealth Transportation Board awarded a \$6.9 million contract to Perry Engineering Co. Inc. of Winchester, Virginia. The contract completion date is November 2, 2018.

Virginia traffic alerts and traveler information can be obtained by dialing 511. Traffic alerts and traveler information also are available at <http://www.511Virginia.org>.

The VDOT Customer Service Center can assist with reporting road hazards, asking transportation questions, or getting information related to Virginia's roads. Call 800-FOR-ROAD (800-367-7623) or use its mobile friendly website at <https://my.vdot.virginia.gov/>. Agents are available 24 hours-a-day, seven days a week.

The Staunton District Twitter feed is at @VaDOTStaunton. VDOT can be followed on Facebook, Flickr, Twitter and YouTube. RSS feeds are also available for statewide information. The VDOT Web page is located at <http://www.VirginiaDOT.org>.

The VDOT Staunton District serves Frederick, Shenandoah, Clarke, Warren, Page, Rockingham, Augusta, Highland, Rockbridge, Alleghany and Bath counties.
