

## **FOURTH OF JULY 2018**

VDOT will lift most lane closures for holiday travel from noon Tuesday, July 3 until noon Thursday, July 5. However, motorists may encounter semi-permanent work zones or travel delays in VDOT's Staunton District in the following locations:

### **Alleghany County**

**I-64** – Milling and paving eastbound from mile marker 32 to 35. Single lane closure.

### **Rockingham County**

**Route 257** – Replacing bridge over Dry River. Single-lane traffic is controlled by temporary signal. Width restriction is 13 feet.

### **Rockingham/Page County**

**Route 602** – Rehabilitating bridge over South Fork Shenandoah River. Temporary signals control traffic. Width restriction is 10 feet.

### **Shenandoah/Warren County**

**Route 11** – Replacing bridge over Cedar Creek at the Shenandoah/Warren County line. Traffic in both directions reduced to one lane, sharing the southbound bridge. Northbound traffic uses right lane of new bridge. Southbound traffic uses right lane of old bridge.
