

CHRISTMAS/NEW YEAR'S 2018

VDOT will lift most lane closures for holiday travel from noon Monday, Dec. 24 until noon Wednesday, Dec. 26 and again from noon Monday, Dec. 31 until noon Wednesday, Jan. 2, 2019. However, motorists may encounter semi-permanent work zones or travel delays in VDOT's Bristol District in the following locations:

Scott County

Route 23 – Replacing northbound bridge over North Fork Holston River in the Wadlow Gap area. Traffic restricted to one lane both directions, sharing the southbound bridge.

Wythe County

I-77/I-81 Overlap – High traffic volumes could slow or stop vehicles through this eight-mile stretch. Be alert for delays on I-77 north at the I-81 merge due to work to add a merge lane.
