

NORTHWEST REGION

- 1 Interstate 64 – Augusta, Nelson, Albemarle counties:** Installing communications conduit in median for active traffic management system on Afton Mountain. Periodic left-shoulder closures, both directions, between mile markers 94 and 107. Estimated completion July 2015.
- 2 Interstate 64 – Rockbridge County:** Rehabilitating bridges over Maury River near Lexington. Eastbound bridge closed for construction until summer 2015. Traffic both directions will use westbound bridge and median crossovers. Work-zone speed limit 55 mph. Estimated completion summer 2016.
- 3 Interstate 64 – Augusta County:** Replacing exit 91 bridge over interstate at Fishersville, improving interchange (Route 285/Tinkling Spring Road). Intermittent nighttime lane closures on:
 - I-64 – one mile in either direction from overpass
 - Route 285/Tinkling Spring Road – one mile in either direction from bridge
 - Route 636/640 – half mile in either direction from Tinkling Spring RoadEstimated completion August 2015.
- 4 Interstate 81 – Frederick County:** Reconstructing exit 310 ramps at southern end of Route 37 in Winchester area. Overnight lane closures possible. Estimated completion spring 2018.
- 5 U.S. 15/U.S. 29 Business – Culpeper County:** Constructing roundabout at intersection with Route 229. New two-lane roundabout traffic pattern in place. Intermittent lane closures as project work concludes. Estimated completion early 2015.
- 6 U.S. 29/U.S. 250 – Charlottesville:** Constructing additional ramp lane plus merge lane at interchange of westbound U.S. 250 between U.S. 29 and Route 654 (Barracks Road). Daily lane closures, traffic shifts begin in March. Estimated completion 2016.
- 7 U.S. 250 – Augusta County:** – Replacing bridge over White Oak Draft. Hankey Mountain Highway restricted to single lane. Temporary signal controlling traffic. Estimated completion early 2016.
- 8 U.S. 250 Bypass – Charlottesville:** Constructing new interchange at McIntire Road. Daily lane closures, traffic shifts. Estimated completion summer 2015.
- 9 U.S. 340 – Warren County:** Replacing bridge and approaches over Gooney Creek. Shifting travel lanes, periodic lane closures between Luray and Front Royal. Estimated completion fall 2015.
- 10 U.S. 340/U.S. 522 – Front Royal, Warren County:** Replacing bridge over South Fork Shenandoah River. New six-lane structure on North Shenandoah Avenue will accommodate bicycles and pedestrians. Also improving intersection at Route 55 to reduce congestion. Periodic lane closures. Estimated completion December 2017.
- 11 U.S. 340 – Elkton, Rockingham County:** Widening road, improving drainage, adding sidewalk. Possible flagger-controlled lane closures. Estimated completion September 2015.
- 12 Route 3 – Culpeper County:** Widening Germanna Highway to four lanes between Stevensburg and Lignum. Relocating utilities. Intermittent lane, shoulder closures begin in March. Estimated completion May 2017.

NORTHWEST REGION

- 13 Route 6 – Fluvanna County:** Replacing West River Road bridge over Hardware River. Lane and shoulder closures. Estimated completion August 2015.
- 14 Route 6 – Fluvanna County:** Replacing East River Road bridge over Rivanna River. Lane and shoulder closures. Estimated completion November 2015.
- 15 Route 231 – Madison County:** Replacing bridge on North Blue Ridge Turnpike over Mulatto Run. Temporary signals controlling single-lane traffic. Estimated completion December 2015.
- 16 Route 602 – Rockbridge County:** Replacing bridge, approaches over Walker Creek. Periodic lane closures. Estimated completion fall 2015.
- 17 Route 608 – Augusta County:** Constructing turn lanes at intersections with routes 648 and 635. Periodic lane closures. Estimated completion late 2015.

NORTHERN REGION

- 18 Interstate 66 – Prince William County:** Widening road to three regular lanes and one high-occupancy vehicle (HOV) lane to improve traffic flow for about three miles each direction between U.S. 15 at Haymarket to U.S. 29 at Gainesville. Off-peak lane closures. When complete, drivers will have the three regular lanes plus the HOV lane for 25 miles in each direction between U.S. 15 and Interstate 495. Estimated completion August 2016.
- 19 Interstate 66 – Prince William, Fairfax, Arlington counties:** Installing active traffic-management system between Gainesville and the Potomac River. Periodic overnight lane closures, both directions, 9 p.m.-5 a.m. Estimated completion early 2015.
- 20 Interstate 95/Interstate 395 – Fairfax, Prince William, Stafford counties:** Constructing 29 miles of express lanes, both directions, between just north of exit 2 on I-395 (Edsall Road) and exit 143 on I-95 (Garrisonville Road). Nightly high-occupancy vehicle (HOV) lane closures, Monday-Thursday, 8 p.m.-5 a.m., and most Fridays and Saturdays, 11 p.m.-9 a.m., with HOV lanes opening northbound. Lane closures in regular travel lanes during off-peak hours. Estimated completion early 2015.
- 21 Interstate 95 – Prince William County:** Safety improvements, including widening shoulders and connecting acceleration/deceleration lanes, both directions, between exit 152 (Dumfries Road) and exit 158 (Prince William Parkway). Most work occurring behind barriers to reduce traffic impacts. Occasional night lane closures coordinated with I-95 Express Lanes project. Estimated completion August 2015.
- 22 Interstate 395 – Alexandria:** Constructing reversible high-occupancy vehicle (HOV) and transit ramp at Seminary Road. Includes northbound auxiliary lane on I-395 connecting entrance ramp at Duke Street to exit ramp at Seminary Road. All ramps will remain open. Narrow shoulders. Nightly lane closures, I-395 northbound, 9:30 p.m.-5 a.m. Estimated completion spring 2016.

NORTHERN REGION

- 23 Interstate 495 – Fairfax County: Reconstructing northbound left shoulder for** 1.5 miles for vehicles to use during peak periods, from northern end of 495 Express Lanes to George Washington Parkway. Lane closures: daytime, Monday-Thursday, 10 a.m.-3 p.m., Friday, 10 a.m.-noon; overnight, Monday-Thursday, 9 p.m.-5 a.m., Friday-Saturday, 10 p.m.-9 a.m., Saturday-Sunday, 9:30 p.m.-9 a.m., Sunday-Monday, 8:30 p.m.-5 a.m.. Estimated completion June 2015.
- 24 U.S. 29 – Prince William County:** Reconstructing interchange at Linton Hall Road in Gainesville, just south of Interstate 66. Temporary detours. Estimated completion June 2015.
- 25 U.S. 50 – Loudoun, Fairfax counties:** Widening road to six lanes for about 3.7 miles between Route 742 (Poland Road) and Route 28 (Sully Road). Periodic traffic shifts, daytime lane closures, both directions. Estimated completion December 2015.
- 26 Route 7 – Leesburg:** Constructing westbound truck-climbing lane between West Market Street and Route 9 (Charles Town Pike). Project includes operational improvements to ease congestion, improve safety. Daily lane closures, occasional nighttime lane closures, both directions. Estimated completion October 2015.
- 27 Route 7 – Fairfax:** Widening Leesburg Pike to six lanes between Rolling Holly Drive and Reston Avenue. Project will: add raised median, longer turn lanes, traffic signal at Redberry Court; relocate entrance to golf course; improve intersection operations. Single-lane closures: weekdays, 9:30 a.m.-3 p.m. (noon Fridays). Possible nighttime lane closures: 10 p.m.-5 a.m., Sunday-Thursday, 10 p.m.-9 a.m., Friday-Saturday, 10 p.m.-8 a.m., Saturday-Sunday. Estimated completion December 2015.

SOUTHWEST REGION

- 28 Interstate 81 – Botetourt County:** Replacing Route 608 bridge over I-81 near mile marker 170. Periodic single lane closures, Sunday-Thursday, 10 p.m.-6 a.m. Estimated completion summer 2015.
- 29 Interstate 81 – Botetourt County:** Repairing bridge over Route 676 (Gravel Hill Road) at mile marker 155.5. Periodic lane closures, both directions, Sunday-Thursday, 10 p.m.-6 a.m. Extended lane closures possible, both directions, Sunday-Wednesday, 6 p.m.-noon. Estimated completion fall 2015.
- 30 Interstate 81 – Botetourt County:** Repairing bridge over Route 779 (Valley Road) at mile marker 151.7. Periodic lane closures, both directions, Sunday-Thursday, 10 p.m.-6 a.m. Extended lane closures possible, both directions, Sunday-Wednesday, 6 p.m.-noon. Estimated completion fall 2015.
- 31 Interstate 81 – Botetourt County:** Improving exit 150 interchange. Lane and shoulder closures, narrow lanes on exit ramps, Sunday-Thursday, 10 p.m.-6 a.m. Estimated completion fall 2017.
- 32 Interstate 81 – Botetourt County:** Repairing bridge over Route 648 (Reservoir Road) at mile marker 147.6. Periodic lane closures, both directions, Sunday-Thursday, 10 p.m.-6 a.m. Extended lane closures, Saturday-Sunday, 6 p.m.-10 a.m. Estimated completion fall 2015.

SOUTHWEST REGION

- 33 Interstate 81 – Pulaski County:** Repairing bridge over New River Trail State Park at mile marker 94.6. Periodic lane closures, both directions, Sunday-Thursday, 8 p.m.-6 a.m. Extended lane closures possible, both directions, Monday-Thursday, 6 p.m.-10 a.m. Estimated completion September 2015.
- 34 Interstate 81 – Pulaski County:** Repairing bridge over Route 99 at mile marker 94.3. Periodic lane closures, both directions, Sunday-Thursday, 8 p.m.-6 a.m. Extended lane closures possible, both directions, Monday-Thursday, 6 p.m.-10 a.m. Estimated completion September 2015.
- 35 Interstate 81 – Bristol:** Improving traffic flow on Old Airport Road at exit 7 interchange. Estimated completion summer 2015.
- 36 Interstate 581 – Roanoke:** Improving Valley View Boulevard interchange. Lane closures, Monday-Saturday, 10 p.m.-6 a.m. I-581 may be reduced to two lanes, each direction, for about two miles. Nighttime rolling roadblocks possible. Estimated completion fall 2016.
- 37 Interstate 581 – Roanoke:** Improving Elm Avenue interchange. Lane closures, Elm Avenue and I-581/U.S. 220 Expressway, Monday-Saturday, 10 p.m.-6 a.m. I-581/U.S. 220 Expressway reduced to two lanes, each direction, under Elm Avenue bridge. Nighttime rolling roadblocks possible on I-581/U.S. 220 Expressway. Estimated completion summer 2015.
- 38 U.S. 11 – Smyth County:** Replacing bridge over railroad in Seven Mile Ford area. Estimated completion July 2015.
- 39 U.S. 58 – Washington County:** Widening highway to four lanes from Route 638 (Lacy Drive) to Route 708 (Rhea Valley Road) between Abingdon and Damascus. Estimated completion summer 2015.
- 40 U.S. 58 – Carroll, Floyd, Patrick counties:** Widening 8.2 miles of U.S. 58 between Big Reed Island Creek in Carroll County and end of current four-lane section in Patrick County, west of Blue Ridge Parkway. Temporary lane closures, Monday-Saturday, 7 a.m.-9 p.m. Estimated completion spring 2016.
- 41 U.S. 460 – Buchanan County:** Repairing bridge over Conaway Creek. Estimated completion May 2015.
- 42 U.S. 501 – Amherst-Bedford county line:** Replacing bridge at Route 130 intersection over James River. Estimated completion March 2017.
- 43 Route 49 – Halifax County:** Replacing bridge over Aaron's Creek. Watch for detour. Estimated completion June 2016.

CENTRAL REGION

- 44 Interstate 64 – Goochland/Henrico counties:** Widening I-64 to six lanes. Eastbound: exit 173 (Route 623/Ashland Road) to Route 271 (Pouncey Tract Road). Westbound: Route 271 (Pouncey Tract Road) to Route 622 (Rockville Road). Various lane closures. Interchange upgrades at exit 173 include adding traffic signal, turn lanes and improving entrance, exit ramps. Estimated completion October 2015.
- 45 Interstate 64 – New Kent County:** Paving. Various lane closures, mostly overnight, eastbound, mile marker 224 to 204. Estimated completion summer 2016.
- 46 Interstate 85 – Mecklenburg, Brunswick, Dinwiddie counties:** Various lane closures for paving, mostly overnight:
- Northbound, mile marker 7 to 61
 - Southbound, mile marker 61 to 9
- Estimated completion summer 2016.
- 47 U.S. 1 – Stafford County:** Replacing bridge over Aquia Creek. All four travel lanes open during construction. Temporary traffic shifts likely. Estimated completion August 2015.
- 48 U.S. 1, U.S. 17, Route 218 – Stafford County:** Widening intersection to improve traffic flow. Lane closures, brief delays. Estimated completion September 2015.
- 49 U.S. 17 – Stafford County:** Widening road from four to six lanes for two miles, between 0.2 miles north of Stafford Lakes Parkway and McLane Drive. Lane closures, brief delays. Project also adding continuous right-turn lane and dual left-turn lanes along corridor. Estimated completion December 2016.
- 50 U.S. 17 – Essex County:** Improving drainage, from just south of Airport Road near June Parker Marina to just north of Marsh Street. Lane closures, brief delays. Estimated completion May 2016.
- 51 U.S. 360 – Hanover/Henrico county line:** Replacing four bridges along Mechanicsville Turnpike, both directions, between Springdale Road and Elm Drive. Left lane each direction closed. Periodic additional lane closures. Estimated completion spring 2015.
- 52 U.S. 360 – Henrico County:** Replacing deck on bridge over Interstate 64. Ramp from Mechanicsville Turnpike (U.S. 360) east to I-64 west closed. Detour: Take I-64 east to exit 193B/Nine Mile Road (Route 33) east back to I-64 west. Estimated completion June 2016.
- 53 Route 54 – Ashland, Hanover County:** Replacing bridge over Interstate 95, including superstructure and approaches. Raising vertical clearance over I-95 to 16.5 feet. Estimated completion November 2015.
- 54 Route 205 – Westmoreland County:** Replacing bridge on James Monroe Highway over Mattox Creek. Temporary signals directing single traffic lane on bridge. Estimated completion July 2016.

EASTERN REGION

- 55 Interstate 64/Interstate 264 – Norfolk, Virginia Beach:** Repairing distressed segments of both highways in major pavement-restoration project. Traffic shifts, weeknight lane closures, 7 p.m.-5 a.m., Sunday-Thursday. Estimated completion November 2015.
- 56 Interstate 264, Downtown Tunnel – Norfolk, Portsmouth:** Rehabilitating tunnel, both directions. Alternate routes: Interstate 64, High-Rise Bridge; U.S. 13, Gilmerton Bridge; or Route 337, South Norfolk Jordan Bridge (toll). Closures exclude holiday weekends.
- Westbound, overnight single-lane or full tunnel closures. Estimated completion winter 2014.
 - Eastbound, overnight single-lane closures, plus full weeknight tunnel or full weekend closures. Estimated completion winter 2015.
- 57 Interstate 664, Monitor-Merrimac Memorial Bridge-Tunnel – Newport News:** Waterproofing bridge span. Overnight northbound single-lane closures. Estimated completion summer 2015.
- 58 U.S. 13, Gilmerton Bridge – Chesapeake:** Final construction phase on new lift-span bridge over Southern Branch of Elizabeth River. Alternate routes: Interstate 64 High-Rise Bridge; Route 337, South Norfolk Jordan Bridge, (toll). Estimated completion winter 2015.
- 59 U.S. 17 – York County:** Widening George Washington Memorial Highway between Route 630 (Wolf Trap Road) and Route 706 (Hampton Highway). Traffic shifts, weeknight single-lane closures, 7 p.m.-5 a.m. Estimated completion winter 2016.
- 60 U.S. 58, Midtown Tunnel – Norfolk, Portsmouth:**
- Constructing new tunnel tube in Elizabeth River. Estimated completion winter 2016.
 - Rehabilitation of existing tunnel starts fall 2016.
- 61 U.S. 58, Martin Luther King Freeway – Portsmouth:** Extending freeway to connect U.S. 58 with Interstate 264. Estimated completion winter 2016.
- 62 Route 337, Hampton Boulevard – Norfolk:** Removing at-grade rail crossing on Hampton Boulevard at intersection of Terminal Boulevard. Detour in place. Estimated completion spring 2015.
