

NORTHWEST REGION

- 1 Interstate 64 – Alleghany County:** Cable guardrail, safety fence installation between mile markers 7.3 and 16.5. Lane closures both directions. *Estimated completion fall 2012.*
- 2 Interstate 64 – Augusta/Albemarle counties:** Cable guardrail, safety fence installation between mile markers 97.1 and 106.6 on Afton Mountain. Lane closures both directions. *Estimated completion spring 2013.*
- 3 Interstate 81 – Frederick County:** Bridge work on Route 657 overpass. Periodic overnight lane closures both directions, permanent shoulder closures between exits 313 and 315. *Estimated completion August 2012.*
- 4 Interstate 81 – Rockbridge County:** Constructing northbound truck-climbing lane. Periodic overnight lane closures, mile marker 195.6 to 202.5. *Estimated completion fall 2012.*
- 5 U.S. 11 – Rockingham County:** Replacing northbound bridge over Cooks Creek. Northbound traffic reduced to one lane. *Estimated completion November 2012.*
- 6 U.S. 15/U.S. 29 – Fauquier County:** Opal interchange construction. Daily lane closures both directions at U.S. 17. *Estimated completion August 2013.*
- 7 U.S. 60 Business – Clifton Forge:** Replacing Main Street bridge. Westbound detour includes new two-way traffic pattern on West Ridgeway Street. *Estimated completion December 2012.*
- 8 U.S. 250 – Highland County:** Replacing Crab Run bridge. Single-lane traffic on Highland Turnpike between routes 645 and 654 in McDowell. *Estimated completion October 2012.*
- 9 U.S. 250 – Albemarle County:** Rebuilding bridge over railroad at Shadwell, just east of Route 22. Detour in place. Bridge closed 10 weeks starting May 1. *Estimated completion summer 2012.*
- 10 U.S. 340 – Page County:** Replacing bridges and approaches over Compton Creek and railroad. Periodic lane closures between Luray and Front Royal. *Estimated completion October 2013.*
- 11 U.S. 340/U.S. 522 – Warren County:** Alignment work at Route 658 intersection. Lane and shoulder closures. *Estimated completion summer 2012.*
- 12 U.S. 340 – Waynesboro:** Constructing five-lane roadway from U.S. 250 to B Street. Daily lane closures both directions. *Estimated completion summer 2013.*
- 13 U.S. 522 – Rappahannock County:** Bridge closed to replace superstructure over Thornton River in Sperryville. *Estimated completion September 2012.*
- 14 Route 633 – Alleghany County:** Replacing Cowpasture River bridge. Daytime lane closures. *Estimated completion May 2013.*
- 15 Stone Spring Road – Rockingham County:** Erickson Avenue/Stone Spring Road connector project. Lane and shoulder closures between U.S. 11 and Port Republic Road. *Estimated completion spring 2013.*
- 16 Jefferson Park Avenue – Charlottesville:** Bridge closed to replace structure over rail tracks at Fontaine Avenue. *Estimated completion September 2012.*

NORTHERN REGION

- 17 Interstate 66 – Fairfax County:** Pavement reconstruction both directions 6.5 miles between exit 57 (U.S. 50) and exit 64 (Interstate 495/Capital Beltway). Lane closures, overnight delays Sunday-Thursday, 9 p.m.-5 a.m. *Estimated completion late 2012.*
- 18 Interstate 95/Interstate 495, Woodrow Wilson Bridge – Alexandria:** Reconstruction between exit 174 (Eisenhower Avenue Connector) and exit 176 (Telegraph Road). Lane closures Monday-Friday, 9 a.m.-3:30 p.m. (Virginia lanes reopen noon Friday). Traffic shifted both directions for future widening. Expect overnight traffic delays, lane closures and variable speed limits. *Estimated completion 2012.*
- 19 Interstate 495 (Capital Beltway) – Exit 45 (Dulles Toll Road) to Exit 57 (Springfield Interchange) – Fairfax County:** Capital Beltway Express Lanes construction, adding four lanes to Beltway. Lane closures Monday-Thursday, 9:30 a.m.-3:30 p.m. and 9:30 p.m.-5 a.m.; Friday, 9 a.m.-noon. Overnight full roadway closures with detours and temporary stoppages up to 30 minutes. *Estimated completion late 2012.*
- 20 U.S. 29 – Prince William County:** Interchange construction at Linton Hall Road in Gainesville. Temporary detours. *Estimated completion December 2014.*
- 21 U.S. 50 – Arlington County:** Replacing bridge, improving interchange at 10th Street and Courthouse Road. Up to two of three lanes closed overnight each direction Sunday-Thursday, 9 p.m.-5 a.m. Several long-term ramp closures with detours in place on Fairfax Drive, 10th Street and U.S. 50. *Estimated completion October 2013.*
- 22 Route 28 – Manassas:** Construction of Nokesville Road overpass spanning Wellington Road and railroad. Weekday lane closures and delays, 9:30 a.m.-3:30 p.m. *Estimated completion November 2012.*
- 23 Fair Lakes Parkway/Fairfax County Parkway – Fairfax County:** New interchange construction. Lane closures both directions on both roads during non-peak hours. *Estimated completion late 2013.*

SOUTHWEST REGION

- 24 Interstate 81 – Botetourt County:** Starting in August, replacing bridge on Route 614 over I-81 at exit 168 (Arcadia). Traffic at interchange will not be able to cross over I-81. Detour in place for local traffic. *Estimated completion June 2013.*
- 25 Interstate 81 – Roanoke County:** Repairing bridge over Route 642 (Alleghany Drive), both directions at mile marker 135.5. Overnight lanes closures, Sunday-Thursday, 9 p.m.-6 a.m. Two lanes of traffic open during daytime, but may be shifted and split with width restrictions in various lanes of 10¾ feet to 15½ feet. Speed limit 55 mph. *Estimated completion October 2012.*

SOUTHWEST REGION (continued)

- 26 Interstate 81 – Montgomery County:** Constructing southbound truck-climbing lane, mile marker 125 to 120. Weekday blasting, starting at 10:30 a.m., requires southbound detour onto U.S.11/U.S. 460 at exit 132 (Dixie Caverns) to exit 118 (Christiansburg) and rolling stops northbound. Detour times average about an hour, but may vary. Blasting continues through late May. Summer night work will require some lane closures, slow rolls and detours. *Estimated completion November 2013.*
- 27 Interstate 81 – Montgomery County:** Paving on northbound bridge over Route 641 (Den Hill Road) at mile marker 121. Two lanes of traffic open during daytime but may be shifted and split with width restrictions of 11 feet and 15½ feet in various lanes. Speed limit 55 mph. *Estimated completion is August 2012.*
- 28 Interstate 81 – Pulaski County:** Repairing bridge over Route 644 (Miller Lane), both directions at mile marker 96. Overnight lanes closures, Sunday-Thursday, 7 p.m.-6 a.m. Two lanes of traffic open during daytime, but may be shifted and split with width restrictions of 16 feet or 11¼ feet in various lanes. Speed limit 55 mph. *Estimated completion September 2012.*
- 29 Interstate 81 – Smyth County:** Repairing bridges over Scratch Gravel Road (Route 658) near exit 45 in Marion. One 14-foot travel lane both directions. Southbound on-ramp at exit 45 closed for repairs. *Estimated completion late fall 2012.*
- 30 U.S. 11/U.S. 460 – Roanoke County:** Widening West Main Street to four lanes from Salem city limits to Route 830 (Technology Drive). Adding curbs, gutters and raised median. Construction may affect daytime traffic. Periodic lane closures at night. *Estimated completion October 2013.*
- 31 U.S. 23 – Wise County:** Replacing bridge on U.S. 23 Business outside Norton. Traffic detoured during construction. *Estimated completion September 2012.*
- 32 U.S. 58 – Scott County:** Repairing bridge over North Fork of Holston River. *Estimated completion July 2013.*
- 33 U.S. 58 – Washington County:** Widening road between Watauga Road to just east of Route 638 (Lacy Drive). Reconstructing bridge over Middle Fork of Holston River. *Estimated completion August 2012.*
- 34 U.S. 58 – Patrick/Floyd/Carroll counties:** Widening 8.2 miles of U.S. 58 from end of current four-lane section in Patrick County to Big Reed Island Creek in Carroll County. Temporary daytime lane closures. *Estimated completion fall 2015.*
- 35 U.S. 58 – Danville:** Piedmont Drive/Robertson Bridge – Constructing new bridge over Dan River. Improving connecting roads. Expect delays and new traffic patterns. *Estimated completion September 2012.*
- 36 U.S. 460 – Grundy, Phase II:** Construction on new road location from east end of Grundy to Route 615. *Estimated completion May 2013.*
- 37 U.S. 460 – Grundy, Phase III:** Widening road from Route 615 to near south corporate limits of Grundy. *Estimated completion spring 2014.*
- 38 U.S. 460 Business – Richlands:** Bridge repairs will restrict traffic to one lane on Front Street over Clinch River. *Estimate completion fall 2013.*
- 39 Route 128 West – Lynchburg:** Reconstructing bridge over railroad. One westbound lane of Candler’s Mountain Road closed at a time. New traffic pattern includes closure of left-hand turn into shopping mall. *Estimated completion November 2012.*

CENTRAL REGION

- 40 Interstate 64, Shockoe Creek Bridge – Richmond:** Weekend closures through June 8, weather permitting, for repairs and paving. Expect delays when traffic is reduced to one lane between mile markers 191 and 192 east of Interstate 95 interchange Friday night through Monday morning (before rush hour). *Estimated completion April 2013.*
- 41 Interstate 95 – Richmond/Henrico County:** Replacing 11 bridges along seven miles of I-95, both directions between Lombardy Street (mile marker 76) and Upham Brook Road (mile marker 83). *Estimated completion fall 2014.*
- 42 Interstate 95 – Richmond:** Richmond Gateway landscaping project between Hermitage Road (mile marker 78) and Franklin Street (mile marker 74) both directions; also at Interstate 64 exit 193 (Nine Mile Road). Expect periodic delays. *Estimated completion summer 2012.*
- 43 Interstate 95 – Hanover County:** Improving northbound on-ramp at exit 89 (Lewistown Road). *Estimated completion August 2012.*
- 44 U.S. 17 Business – Gloucester County:** Replacing bridge at Fox Mill Run on Main Street. Both southbound lanes closed. Bridge traffic both directions will use a single northbound lane. *Estimated completion December 2012.*
- 45 U.S. 60 – Richmond:** Improving Midlothian Turnpike (U.S. 60) east from Chippenham Parkway (Route 150) to Covington Street, including German School Road, as part of flood-management project. Includes new curbs, gutters, turn lanes, sidewalks, streetlights, storm drains, closed drainage and four bus pullouts. *Estimated completion August 2013.*
- 46 U.S. 301, James Madison Memorial Bridge – Caroline/King George counties:** Rehabilitating bridge over Rappahannock River. Lane closures. Traffic reduced to one lane each direction. *Estimated completion July 2013.*
- 47 Route 3, Norris Bridge – Rappahannock River at White Stone:** Rehabilitating Robert O. Norris Bridge connecting Lancaster and Middlesex counties. Periodic lane closures, Monday-Friday. *Estimated completion November 2012.*
- 48 Route 3, John Andrew Twigg Bridge – Mathews/Middlesex counties:** Rehabilitating bridge over Piankatank River. One lane closed on structure. Vehicles will use other single lane with temporary signal controlling traffic both directions. *Estimated completion May 2014.*
- 49 Route 76/Powwhite Parkway – Chesterfield County:** Repairing concrete pavement both directions between Route 288 and Jahnke Road. *Estimated completion May 2012.*
- 50 Route 147/ Huguenot Bridge – Henrico/Chesterfield counties:** Replacing existing structure with new bridge. Ramp closures and traffic shifts. *Estimated completion October 2013.*
- 51 Route 207 – Caroline County:** Replacing bridge at railroad overpass. Lane closures. Traffic reduced to one lane each direction. *Estimated completion May 2013.*
- 52 Route 208 – Louisa/Spotsylvania counties:** Single lane closure on Lake Anna bridge. Vehicles will use single lane both directions with temporary signal controlling traffic. *Estimated completion December 2012.*

CENTRAL REGION (continued)

- 53** **Route 288 – Chesterfield County:** Pavement repairs will close northbound lanes between Interstate 95 and Powhite Parkway (Route 76). *Estimated completion fall 2012.*
- 54** **Route 604/Genito Road – Chesterfield County:** Replacing bridge over Swift Creek Reservoir. Temporary signal will control single lane of traffic over bridge during construction. *Estimated completion fall 2012.*
- 55** **Route 615/Creighton Road – Hanover/Henrico counties:** Replacing bridge over Chickahominy River. Detour in place. *Estimated completion December 2012.*

EASTERN REGION

- 56** **Interstate 64 – Norfolk to Chesapeake: Three-phase paving project on I-64 West:**
- Hampton Roads Bridge-Tunnel to Little Creek Road – Norfolk
 - Little Creek Road to the Twin Bridges – Norfolk
 - Twin Bridges to Greenbrier Parkway – Virginia Beach and Chesapeake
- Estimated completion fall 2013.*
- 57** **Interstate 264 – Norfolk:** Replacing pavement between Broad Creek Bridge (mile marker 11.3) and Ballentine Boulevard (mile marker 9.9). Overnight lane closures Sunday-Thursday both directions. *Estimated completion fall 2012.*
- 58** **Interstate 664, Monitor-Merrimac Memorial Bridge-Tunnel – Newport News:** Bridge span waterproofing. Overnight single-lane closures both directions. *Estimated completion fall 2013.*
- 59** **Interstate 664 – Chesapeake:** Pavement rehabilitation both directions from half-mile north of U.S. 58 to south side of Monitor-Merrimac Memorial Bridge-Tunnel. Overnight single-lane closures during construction. *Estimated completion May 2012.*
- 60** **U.S. 13, James River Bridge – Newport News/ Isle of Wight County:** Replacing warning and barrier safety gates at lift spans, both directions. Weekday closures, 9 a.m.-2 p.m. and 7 p.m.-5 a.m. Temporary detour: Interstate 664 Monitor-Merrimac Memorial Bridge-Tunnel. Four Sunday closures planned. *Estimated completion fall 2012.*
- 61** **U.S. 13, Gilmerton Bridge – Chesapeake:** Bridge closed overnight Sunday-Thursday, 8 p.m.-5 a.m. Weekend closures through May; 14-day closure mid-July. Construction will provide new lift-span bridge over Southern Branch of Elizabeth River. Alternate routes: Interstate 64 High-Rise Bridge or Interstate 264 Downtown Tunnel. *Estimated completion fall 2013.*

EASTERN REGION

- 62 U.S. 17 – Isle of Wight County:** Repaving road 4.8 miles between James River Bridge and Crittenden Bridge/Suffolk line. Single lane closures, daytime and overnight each direction. *Estimated completion: summer 2013.*
- 63 Route 165, Princess Anne Road – Virginia Beach:** Widening road from Dam Neck Road to Virginia Beach Municipal Center. Lane reductions and traffic shifts. *Estimated completion spring 2014.*
- 64 Route 337, Hampton Boulevard – Norfolk:** Removing at-grade rail crossing on Hampton Boulevard at intersection of Terminal Boulevard. Detour in place. *Estimated completion winter 2013.*
- 65 Route 615, Ironbound Road – James City County:** Construction to widen road, improve intersections and add turn lanes and paths between Strawberry Plains Road (Route 616) and Longhill Connector Road (Route 612). *Estimated completion winter 2012.*
