Find out about the alternatives retained for analysis and VDOT's recommendation for the preferred alternative for the Bowers Hill Interchange Improvements Study Environmental Impact Statement. The study evaluates potential improvements along segments of I-664, I-64, I-264, Route 460, Route 58, Route 13, Jolliff Road (Route 191) and approximately 7 miles of I-664 to College Drive (exit 8A) in the cities of Suffolk, Chesapeake and Portsmouth. VDOT representatives will be available to discuss the study and answer questions.

Two public hearings will be offered, one virtually and one in-person. VDOT representatives will share study information and be present to answer questions. The presentation will be available for review throughout the comment period. During the in-person hearing, the meeting will be held in an open-house style format and will follow COVID-19 precautions to ensure the health and safety of attendees. Visit vdotmeeting.com/bowershill to register for the virtual hearing. The project website, listed below, will include the same information, materials, and presentations as the public hearing.

Review information about the alternatives retained for analysis and other project exhibits at vdotmeeting.com/bowershill or at VDOT's Hampton Roads District Office located at 7511 Burbage Dr., Suffolk, VA, 23435, by calling ahead to Nina Ullrich at 757-956-3031 or 1-800-367-7623, TTY/TDD 711 to ensure the appropriate personnel are available to answer your questions. In compliance with the National Historic Preservation Act, Section 106 and 36 CFR Part 800, information concerning the potential effects of the proposed project on properties listed in or eligible for listing in the National Register of Historic Places is provided in the environmental documentation. Property impact information, relocation assistance policies and tentative construction schedules are available for your review at the above address and will be available at the public hearing.

Give your written or oral comments at the in-person hearing or submit them by **May 7, 2022**, on the study website listed above, via email to BowersHill@VDOT.virginia.gov, or to Andrew Pike, Project Manager, Bowers Hill Interchange Improvements Study, 11827 Canon Blvd., Suite 402, Newport News, VA, 23606.
