## Public Information Meeting

# Huguenot Bridge Pedestrian Lighting Installation Henrico County

**Wednesday, October 9, 2019, 5 - 6:30 p.m.**

Tuckahoe Elementary School  
701 Forest Avenue  
Henrico, VA 23229

## Public Meeting

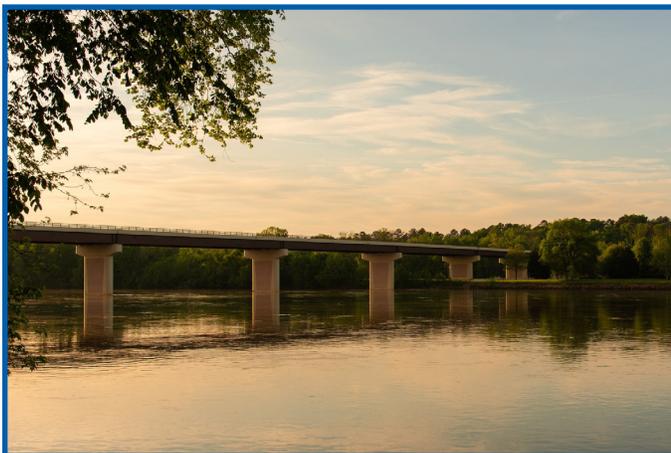

**The Virginia Department of Transportation (VDOT) welcomes you to a public information meeting on Huguenot Bridge pedestrian lighting in Henrico County.**

This public information meeting is being held to provide an opportunity for individuals or organizations to give VDOT comments and/or suggestions on the proposed project. VDOT strives to ensure that all members of the community have the opportunity to participate in public decisions on transportation projects and programs affecting them.

## Civil Rights

Representatives from VDOT are present to discuss the project and answer your questions. It is the responsibility of VDOT to ensure that all members of the community are afforded the opportunity to participate in public decisions on transportation systems and projects affecting them. VDOT ensures nondiscrimination in all programs and activities in accordance with Title VI of the Civil Rights Act of 1964.

## Project Overview

**Estimated Construction Cost** – \$700,000

**Purpose** – Increase visibility for pedestrians on the Huguenot Bridge, located on Huguenot Road (Route 147) in Henrico County

**Anticipated Start** – 2024

## Project Description

The primary purpose of the proposed project is to improve safety and visibility for pedestrians on the Huguenot Bridge, located on Huguenot Road (Route 147) in Henrico County. Proposed improvements

include installation of lighting along the bridge to illuminate the sidewalks. The proposed lighting will be installed along the sides of the structure.

## Environmental Review

VDOT's Richmond District Environmental Office has initiated environmental reviews and coordination to obtain information about environmental resources in the project vicinity, to provide natural and historic resource agencies an opportunity to review and comment on the project during its development, and to identify opportunities for avoidance, minimization and mitigation of potential environmental impacts.

## Right of Way

Property owners will be provided detailed information regarding impacts to their property. Information about right of way acquisition is discussed in VDOT's brochure entitled, "Right of Way and Utilities: A Guide for Property Owners and Tenants." VDOT right of way representatives will contact the affected land owners.

## Get Involved

Comments can also be submitted in writing to [Adam Brooks](mailto:Adam.Brooks@VDOT.Virginia.gov). Information must be postmarked, e-mailed or delivered to VDOT within 10

calendar days of today's meeting (October 19, 2019) in order to be included in the public information meeting record.
