Route 667/Catterton Road
Albemarle County
Bridge Replacement
over Piney Creek

National Environmental Policy Act, Categorical Exclusion document available for review

A Categorical Exclusion, National Environmental Policy Act document has been prepared to evaluate the environmental impacts of the proposed Route 667/Catterton Road structure replacement project in Albemarle County from 0.0020 miles north of Piney Creek to 0.022 miles south of Piney Creek.

This project entails replacing the existing steel beam, timber-deck bridge, which is approximately 30 feet long by 16 feet wide, and in poor condition. The replacement will be a Structural Plate Arch Culvert that is 34 feet 9 inches long by 28 feet wide. The existing approaches will be widened to accommodate the wider new structure before immediately transitioning back to the existing riding surface.

The Categorical Exclusion was prepared in accordance with the Federal Highway Administration’s Environmental Impact and Related Procedures (23 CFR 771) and is available for your review and comment for 15 days at the Virginia Department of Transportation’s Culpeper District Office, located at 1601 Orange Rd, in Culpeper, Va., 22701. Please call to schedule a time to review the documentation: (540) 718-2679. This comment period ends on July 11, 2022.

VDOT ensures non-discrimination in all programs and activities in accordance with Title VI of the Civil Rights Act of 1964. For information or assistance please call (540) 387-5391 or TTY 711.
