Proposed Limited Access Control Change
I-66 Eastbound from Great Falls Street to Hallwood Avenue
Fairfax County
Willingness for Public Comment

The Virginia Department of Transportation (VDOT) is accepting comments regarding a proposed limited access control change along eastbound I-66 between Great Falls Street (Route 694) and Hallwood Avenue (Route 1770). A shift in the limited access line has been requested in an area where Hallwood Avenue intersects the existing VDOT limited access and right of way. The proposed change is limited to a slight shift in the limited access line only; no new or modified point of access is being requested, and current traffic patterns will be unaffected by this change. This project will involve changes in limited access control.

Review project information on the project website (www.virginiadot.org/66LimitedAccessControlChange) or during business hours at VDOT’s Northern Virginia District Office, 4975 Alliance Drive, Fairfax, VA 22030. Please call ahead at 703-259-2734 or TTY/TDD 711 to make an appointment with appropriate personnel.
