

U.S. Route 460 Richlands/Tazewell County Intersection Improvements

Find out about the proposed plans to replace traffic signal technology and improve how motorists access US 460 between Clinch Valley Medical Center and Front St. in Richlands/Tazewell County. The project will also remove left turns onto southbound U.S. 460 from Clinch Valley Medical Center, requiring vehicles to turn right onto northbound US. 460 to make a u-turn.

These improvements will be implemented at the following three signals: US 460 at Clinch Valley Medical Center exit, US 460 at Lake Park Drive, and US 460 at Front Street.
